Rain's Theory KC Mills,2015-11-29 Rain had only been in love once in her life and it was the kind of love that held onto you so tight that nothing could erase it from your life not even time or distance Back in Atlanta after six years Rain was focused on one thing and that was finding the one person who ever truly owned her heart Theory Never mind the fact that she moved there with her current situation Jamel because honestly that was all he would ever be Theory knew from the from the first time he laid eyes on Rain that she owned his heart She was the only thing he loved more than the streets that controlled him so when Rain disappeared from his life he did the only thing he could and just survived The streets became his priority and women became his past time Now she s back and things are as they should be but will the choices that Theory made affect their chance to finally get it right

The House of Prayer Emmanuel Lane,2010-03-31 Prayer is a communication between God and man this means that just when you meet together in a room praying the room turns from being a normal place to being a House for God God enthrones as King of the meeting Hallelujah Gods desire is to head His house no matter how small you see it Dont look down on the ministry you are doing whether in the church or at home or elsewhere Wherever you meet to call on the name of the Lord is your house of prayer You can look through church history till today and it will amaze you that most ministries started with two or three people whether family members or co workers or just friends This is because they met as just friends or family but with God as the owner of the house
