The book is unique in terms of the followings: Each chapter begins with visual illustrations of ideas to represent in pictures, figures, etc. and describe the problems that occur in the construction of algorithms. The abstract concepts in graph theory are presented in a more relaxed and easily digestible form. This book inspires readers to visualize hardcore mathematical concepts with a more meaningful and tangible story. Storybook Art MaryAnn F. Kohl, Jean Potter, 2003-09-01 Storybook Art is the long awaited literacy connection to art with 100 easy art activities inspired by 100 great picture book illustrators and their award winning books, both favorite classics and classics to be. Each activity has a personal quote by the illustrator, a child sketched portrait, clear line art, and easy to follow materials and open ended steps that value individual expression. The book is loaded with children's original art, a special resource chapter with awards and website links, birthday list of illustrators, and a unique chart of contents. No expertise is needed. Everyday materials like crayons, glue, scissors, and paint will allow young illustrators to blossom while learning to love reading with a new awareness of art illustration and technique. Come and join us on this amazing adventure on the river of life. If you are ready, the promise within The Promise of Surfing Rainbows is about to be revealed. Let

the Rainbow Surfers show you how to attract the very best that life has to offer Having spent until the age of thirty two working in the wrong jobs married to the wrong partner driving the wrong car and living the wrong life I can categorically tell you that the wonderful message from Surfing Rainbows that you can love your life and that you can live your dreams is not only inspirational it is also deadly accurate As a young working class man I was told by my peers that people like us do not become artists they do not write books and they certainly do not have films made about their lives I wrote my first book in a factory toilet where I was hired to sweep floors My world was so small that I did not even know anyone that owned a typewriter And yet that first book Watch My Back still went on to become a Sunday Times Best Seller and a BAFTA winning film I am an ordinary person let us have no doubt about that So if I can attract an amazing life I know that anyone can do it I wish I had known about Surfing Rainbows way back when I started it would have saved me a lot of time I love this beautifully presented book I love this inspirational message and I highly recommend this work to anyone wanting to live a successful life Geoff Thompson
