**The Redemption of Black Elk: An Ancient Path to Inner Strength Following the Footprints of the Lakota Holy Man** Linda L. Stampoulos, 2010-07-29 As a young child of the Oglala Lakota Sioux Black Elk had been given a mighty vision which would lead him on a personal journey that lasted his entire life Although Black Elk's vision was a prophetic message telling the terrible future of his tribe it also held positive aspects that must be reclaimed It is through this reclamation that the guiding beacons given to him reveal an ancient pathway woven into the images of the West By exploring Black Elk's eyewitness account of the crucial events of that time the author discovered a series of metaphorical footprints

that show us the way toward inner strength and a balanced life 125 years later To help with an interpretation of Black Elk s account the author invoked the insight of Joseph Campbell one of the world s foremost authorities on societal ideologies Through his understanding of symbol and metaphor Campbell was able to examine the metaphorical footprints and provide us with a twenty first century spin that a simple man generations before could only imagine This book offers a new look at Black Elk s footprints and together with the insight of Joseph Campbell presents an inward path to the positive forces within each of us waiting for discovery About the Author Linda L Stampoulos lives in New Jersey and often travels to the West to research material her books After completing her Undergraduate and Graduate Degrees at Montclair State University she went on to Columbia University to earn her Doctorate in Education She has taught at both the Undergraduate and Graduate levels in the Schools of Health Foundations and Educational Foundations at Montclair State University A large portion of her curriculum included the works of Joseph Campbell She is President of Pompano Associates Inc a Women s Business Enterprise certified by the State of New Jersey Department of Commerce They can be found at [www.Pompanobooks.com](http://www.Pompanobooks.com) Her last book Images of America Visiting the Grand Canyon Views of Early Tourism was listed among the Southwest Books of the Year Best Reading 2004 In addition she has previously worked with Arcadia Publishing on several projects including Fort Peck Indian Reservation The Little Bighorn Tiospaye and The Grand Canyon Native People and Early Visitors She is a consultant for Lenape tribal members who are writing a new book exploring the history of the Lenape Nation of Pennsylvania and New Jersey In addition she has devoted over twenty five years to work in the field of Substance Abuse Prevention and Treatment Services
