[Revelations of the Watchers](#) Timothy Wyllie, 2021-07-27 Explains how the new Atlantis was rebuilt using ancient Lemurian construction techniques and how Poseidon was put in charge by nefarious Prince Caligastia Explores the rise of shamanism the hidden history of Akhenaten and the privileged role of the Yazidi people in the spiritual evolution of the planet Exposes how our planet is one of the worlds on which the rebel angels have been the accorded the privilege of a mortal incarnation During the angelic rebellion 203 000 years ago which led to the quarantine of Earth and 36 other planets from the Multiverse Georgia an angel of Seraphic status aligned herself with Lucifer and the rebel angels After the rebellion Georgia was permitted to remain on this planet and become a Watcher Writing together with Timothy Wyllie in this book Georgia provides her personal account of Earth during the second rise of Atlantis Georgia explains how the new Atlantis was home to the few surviving Lemurians and was rebuilt using ancient Lemurian construction techniques She

reveals how Prince Caligastia put Poseidon in charge of the new Atlantis in order to keep him from interfering with the Prince's imposition of monotheism in southern Palestine. She explores the rise of shamanism through the entheogenic use of power plants first on the Islands of Mu then in the Nile Valley and later among the Aborigines of Australia. She also looks at the hidden history of Pharaoh Akhenaten and the privileged role of the Yazidi people in the spiritual evolution of the planet and how even today the attempts to extinguish their culture is the work of Caligastia's agents. Interwoven with Georgia's narrative of Earth's ancient history are her observations of Timothy Wyllie's current and previous lives including his involvement with the Process Church, his struggle to leave it and his spiritual activities after he left. Through her revelations, Georgia exposes the supreme significance of Earth in the larger Multiverse and how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. Georgia shares her words in part to awaken the 100 million rebel angels currently living their human lives. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of consciousness as the rebel-held planets including Earth are welcomed back into the Multiverse.

**Gayellow Pages**, 2009 [Retha's Song](#) Retha Bogard, 2012-10-17. In *Retha's Song: A Rhapsody of the Soul*, Retha hears her God, the sun, speak to her for the first time at the age of seven. He speaks of a baby boy being born who lived far away from her and is her beloved. As long as she listens to God's voice and stays on her path and the young boy stays on his path with God's guidance, they will meet. She strays many times from the voice of God and her path. During the journey, she is struck with a devastating Bipolar Disorder and her young son is diagnosed with Crohn's disease, which nearly took his life. Her faith began taking new direction and she began experiencing phenomenal supernatural events in her life. Her intuition became increasingly powerful, however, internal mind-altering suffering kept plaguing her. Music, directed by the angels, was the compelling force that was the interwoven thread that could bring these two souls together as they are both singers and songwriters. Could a miracle happen?

**Forthcoming Books** Rose Army, 1998 *The Rainbow's Light* Derek Earls, 2016-10-12. Droplets of evil had diluted and eventually dispersed the white power of the sun's special light. The special light had a purpose. It was created for such a time as this. The purpose carried a good intent, but some devilry had diluted and dispersed the good intent. It was remembered by those occasions when rainbows arched the sky. The rainbows appeared less to men and others forgot. But most men had forgotten the purpose of the rainbows' reminder and most men and others had never known the purpose of the special light. It was always known by a few that such a time as this would come. The few intent on good feared the coming of such a time. Now the greater number who were evil were aware that the time or a time had come. They were at first unaware that the special light might reconvene as a whole and that the white power of the whole might thwart their intent. These others were not men, not human. Though they had man's outward appearance, most were subhuman, some were superhuman. Evil intent rested with the superhuman, but to them the intent was not evil, just inevitable. Only those carried upon the waves of the special light had the

energy to combat the evil intent and then it was only when they came together

Dining with Milton and Bunyan and other comic verse Peter Goulding, 2018-01-05 Peter Goulding's fourth or maybe fifth who's counting book of comic verse again delves the murky depths of the poet's imagination. There are still plenty of poems about murdering his wife and disposing of her body, but there are darker poems too: the proliferation of tomatoes on Jupiter, the birth of Princess Charlotte, and his critiques of the counties of Tipperary and Offaly, to name but four. His mind, which to be frank would be put to much better use learning a trade or simply vegetating, is again employed solving many of the world's problems in rhyming couplets, villanelles, and other fiendish weapons of mass destruction. Comes with a cultural health warning.

With the help of his brothers and some new acquaintances, Jair sets out to recover his stolen bride. Each day brings

greater adventure and mystery as the band of men travel farther from home They will encounter Cloaks and Sapient large cities and ruthless rulers and rare stones with curious markings Each of these encounters will bring greater questions and few answers Who took Terah why and where is he going What are the markings on the stones and how are they connected Why would a Cloak attack a group of undistinguished travelers like them To Jair these questions are important but not as important as the one he continues to ask himself Will he ever see his wife again

The Watchers William Rayer,2018-11-07 In the vastness of space there are the Watchers Who are they Where did they come from Those are the questions the Family of Man would like to answer The Watchers are an enigmatic race that controls the universe in ways unknown to the Family of Man They made their presence known only a few times in the history of the Family of Man Popping in and out of existence they offer aid and ideas at critical times They brought a faction of the Family of Man back to their Homeworld to recolonize and develop what they feared had been destroyed by their sun Humanity had gained their attention when nuclear weapons had been launched in space near Jupiter an incident that could have changed the history of the human solar system Come along with Aiden and Stovan as they attempt to discover the truth about these entities called The Watchers
