## **Rainbows And Rhapsodies Poetry Of The Eighties:**

**Rainbows and Rhapsodies** Lincoln B. Young, 1988-04-01      *Poems from the Mud Room* Howard Camner, 2013-04-26  
Tantalizingly irreverent Camner's work smacks of the deliciously absurd with a point. He is a brilliantly bizarre poet and master of the surreal. Lenny DellaRocca The Poetry Museum Camner defies the traditional aesthetic concepts of poetry. He targets a world of ideas in a rather active way as opposed to the more passive meditative aspects found in most poetry. There is a linguistic simplicity to his poems, an almost transparent quality over a rather complex web of experience and thought. His poetry is life. All you have to do is look. The obvious and not so obvious. Marta Braunstein, editor, *Cambio Literary Journal*. Camner writes in terse, stark, real verse that would make Hemingway raise his scotch glass in honor. New Times Newspaper. Camner's poetic style is reminiscent of Raymond Chandler's detective writing: descriptive and terse with interesting plot lines. His characters are certainly the product of a vivid imagination. The Comstock Review. Camner's humour noir is apparent in his poetics; his spirited voice and unabashed freedom so alive even in his earliest poems. Peter Hargitai, A literary detour and well worth the trip. *Village Voice*.      *Thoughts of a Serious Woman* BT Fox, 2011-03-16. I write about life, relationships, experiences, and things I see going on around me. Writing is a release, a way of expressing how I feel, a clearing of my mind. A small book of poetry covering the larger issues of life. My soul is at peace when I can be alone with my thoughts surrounded by the beauty of nature. The written word like beautiful music leaves behind a tangible essence. This collection of poems is the tangible essence I leave behind from an African American woman's point of view, expressing a certain state of mind on various issues. Words are a powerful tool; beware how you use them.      *Small Press Record of Books in Print* Len Fulton, 1994.  
Poets & Writers, 1987      **The Tie that Binds** Sandra Martz, 1988. Poems and stories explore the special bonds that can develop between mothers, sons, and fathers and daughters.      **Trails Filled with Lighted Notions** William Harrold, 1988.
