Norvig, William Blake, 1993-01-01 Gerda Norvig has written a book on Blake's Bunyan illustrations that is much more than that it revises our sense of Blake of the relationship of illustrator to illustrated text and the assumptions of Romantic and Romanticist writing Blake certainly will not be the same after Norvig's vigorous analysis and it is arguable that the same may be true of Romanticism Ronald Paulson author of *Figure and Abstraction in Contemporary Painting* Specialists in both Blake studies and English Romanticism will find this book extremely interesting and useful Norvig carefully analyzes for the first time a set of Blake's most accomplished illustrations a set that as she points out has very rarely been reproduced or exhibited These designs certainly deserve to be better known and Norvig's insightful and stimulating interpretation of them makes their importance to Blake's thought and career amply clear This is certainly a book that all Blake specialists will have to know Anne K Mellor author of *Mary Shelley Her Life Her Fiction Her Monsters* *Light and Dark* Louise Spilsbury, 2015-10-08 This book looks at the differences between light and dark Darkness is the absence of light You can make a dark box to show how we need light to see Experiment using ice cubes in boxes to show that dark colours absorb more sunlight than light colours Look at how some animals have evolved to see in the dark using other senses and try it out yourself And much more
