Born has taken its deserved place among the most critically acclaimed movies of all time and continues to inspire each new generation that discovers it Now Lorna Luft daughter of Judy Garland and the film s producer Sid Luft tells the story of the production and of her mother s fight to save her career as only she could Teaming with film historian Jeffrey Vance *A Star Is Born* is a vivid and refreshingly candid account of the crafting loss and restoration of a movie classic complemented by a trove of images from the family collection taken both on and off the set The book also includes essays on the other screen adaptations of *A Star Is Born* to round out a complete history of a story that has remained a Hollywood favorite for close to a century
