Rainer Maria Rilke His Life Work:

The Poet's Guide to Life Rainer Maria Rilke, 2005 Presents a selection of observations and reflections on the topics of illness and death dreams and religion language and art love and happiness work and ambition and childhood and old age

Letters of Rainer Maria Rilke, 1910-1926 Rainer Maria Rilke, 2014-04-07 This volume of Rilke's letters covers the years from the completion of *The Notebooks of Malte Laurids Brigge* to Rilke's death in December 1926 nearly five years after he had written the *Duino Elegies* and the *Sonnets to Orpheus* his last major works There are important letters here to Muzot Lou Andreas Salome to Princess Marie of Thurn and Taxis Hohenlohe and many others The most significant of the Wartime Letters 1914-1921 are also included An Introduction briefly traces the development of Rilke's work during these years the Notes provide the necessary framework of biographical details and point up significant references to the poetry

The Life of the Virgin Mary Rainer Maria Rilke, 1972 The German poet Rainer Maria Rilke began work on these poems in 1900 with three short pieces while he was engaged in *The Book of Hours* but it wasn't completed until 1911 The impulse for it may have come from his memory of Russian icons depicting the Mother of God This slight work has the framework of a biblical narrative and charts the unfolding of the divine drama culminating in Mary's assumption into heaven A feeling of reverence pervades the sequence of thirteen poems Although he did not hold any orthodox beliefs as a poet he was of the firm conviction that his work was dictated from above One can read in the wonder and mystery conveyed in the poems Rilke's belief in the presence of a transpersonal wisdom to which every man has access and which mediates between the ego and the Higher Self Christine McNeill is a poet *Kissing the Night* and translator and works as a tutor of German *The Waxwing Series* *Rainer Maria Rilke* F. W. van Heerikhuizen, 2020-01-30 Originally published in English in 1951 this biography of one of Germany's foremost mystical poets disproves many of the myths surrounding Rainer Maria Rilke and examines his life and work from social historical and psychological perspectives while all the time referencing Rilke's works to his complex personality The legacy of his work on younger generations is also examined All German prose quotations have been translated into English for this edition existing translations used for the German poetry *Rainer Maria Rilke* F.

Heerikhuizen, 1957 **Rilke's Book of Hours** Rainer Maria Rilke, 1997-04-01 At the beginning of this century a young German poet returned from a journey to Russia where he had immersed himself in the spirituality he discovered there He received a series of poems about which he did not speak for a long time he considered them sacred and different from anything else he ever had done and ever would do again This poet saw the coming darkness of the century and saw the struggle we would have in our relationship to the divine The poet was Rainer Maria Rilke and these love poems to God make up his *Book of Hours* *Ahead of All Parting* Rainer Maria Rilke, 2015-01-21 The reputation of Rainer Maria Rilke has grown steadily since his death in 1926 today he is widely considered to be the greatest poet of the twentieth century This Modern Library edition presents Stephen Mitchell's acclaimed translations of Rilke which have won praise for their re-creation of the

poet's rich formal music and depth of thought. If Rilke had written in English, Denis Donoghue wrote in *The New York Times Book Review*, he would have written in this. *English Ahead of All Parting* is an abundant selection of Rilke's lifework. It contains representative poems from his early collections *The Book of Hours* and *The Book of Pictures*, many selections from the revolutionary *New Poems*, which drew inspiration from Rodin and Cezanne, the hitherto little-known *Requiem for a Friend*, and a generous selection of the late uncollected poems, which constitute some of his finest work. Included too are passages from Rilke's influential novel *The Notebooks of Malte Laurids Brigge* and nine of his brilliant uncollected prose pieces. Finally, the book presents the poet's two greatest masterpieces in their entirety: the *Duino Elegies* and *The Sonnets to Orpheus*. Rilke's voice, with its extraordinary combination of formality, power, speed, and lightness, can be heard in Mr. Mitchell's versions more clearly than in any others, said W. S. Merwin. His work is masterful.

Letters to a Young Poet - Rilke Rainer Maria Rilke, 2025-05-12 *Letters to a Young Poet* by Rainer Maria Rilke is a profound and introspective collection of ten letters written between 1903 and 1908 to Franz Xaver Kappus, a young aspiring poet. In these letters, Rilke offers deeply personal reflections on the creative process, solitude, love, and the challenges of artistic life. Rather than providing conventional advice, he encourages Kappus to look inward, to trust in his own experiences, and to embrace uncertainty as a vital part of artistic and personal growth. Since its publication, *Letters to a Young Poet* has resonated with generations of readers, artists, and thinkers. Its meditative tone and timeless insights extend beyond poetry, offering guidance to anyone navigating the complexities of life and self-expression. Rilke's emphasis on patience, authenticity, and inner development has made the book a cherished companion for those seeking meaning in their creative or emotional journeys. The enduring appeal of *Letters to a Young Poet* lies in its quiet wisdom and its invitation to embrace solitude as a space for transformation. Rilke's words continue to inspire by affirming the power of introspection and the necessity of living one's questions fully with openness and courage.

Letters to a Young Poet Rainer Maria Rilke, 2014-03-24 Rilke's timeless letters about poetry, sensitive observation, and the complicated workings of the human heart. Born in 1875, the great German lyric poet Rainer Maria Rilke published his first collection of poems in 1898 and went on to become renowned for his delicate depiction of the workings of the human heart. Drawn by some sympathetic note in his poems, young people often wrote to Rilke with their problems and hopes. From 1903 to 1908, Rilke wrote a series of remarkable responses to a young would-be poet on poetry and on surviving as a sensitive observer in a harsh world. Those letters, still a fresh source of inspiration and insight, are accompanied here by a chronicle of Rilke's life that shows what he was experiencing in his own relationship to life and work when he wrote them.

Rainer Maria Rilke Rainer Maria Rilke, 1951 *Rainer Maria Rilke's The Book of Hours* Rainer Maria Rilke, 2008 *The Book of Hours*, written in three bursts between 1899 and 1903, is Rilke's most formative work, covering a crucial period in his rapid ascent from fin de siècle epigone to distinctive modern voice. The poems are crucial documents of Rilke's development, from his tour around Russia with Lou Andreas Salome through his hasty marriage to Clara Westhoff in the artists' community of

Worpswede to his turn toward the urban modernity of Paris Rilke assumes the persona of an artist monk undertaking the Romantic journey into the self speaking to God as part transcendent deity part needy neighbor Echoes of his juvenile style persist yet by the end of the book the influence of the sculptor Rodin is discernible in the distinctive idiom of urbanity in the terminology of things and in Rilke's turn to the everyday world around him Jacket flap [Selected Poems of Rainer Maria Rilke](#) Rainer Maria Rilke, 1981 For poetry lovers and students of literature and literary criticism a National Book Award winning poet brings his prowess as a translator and critic to bear on the work of one of the major German poets of the century *Letters of Rainer Maria Rilke, 1892-1910* Rainer Maria Rilke, 2014-04-07 This representative selection from Rilke's large and extraordinary correspondence provides a kind of spiritual autobiography of the poet The period here covered reflects all the great experiences of Rilke's early adult life his difficult beginnings his relationships with Lou Andreas Salome and with his wife Clara his two journeys to Russia his contact with the Worpswede artists the influence of Paris the revelation of Cezanne Many of the letters are psychologically revealing many touch upon characteristic themes or freshly transcribe experience that sooner or later passes into the poetry *The Poetry of Rilke* Rainer Maria Rilke, 2009-10-13 For the past twenty five years North Point Press has been working with Edward Snow Rilke's best contemporary translator Brian Phillips The New Republic to bring into English Rilke's major poetic works The Poetry of Rilke the single most comprehensive volume of Rilke's German poetry ever to be published in English is the culmination of this effort With more than two hundred and fifty selected poems by Rilke including complete translations of the Sonnets to Orpheus and the Duino Elegies The Poetry of Rilke spans the arc of Rilke's work from the breakthrough poems of The Book of Hours to the visionary masterpieces written only weeks before his death This landmark bilingual edition also contains all of Snow's commentaries on Rilke as well as an important new introduction by the award winning poet Adam Zagajewski The Poetry of Rilke will stand as the authoritative single volume translation of Rilke into English for years to come [Roses](#) Rainer Maria Rilke, 2014 Poetry Translations from the French and the German introduction and essays by David Need Drawings by Clare Johnson ROSES is a fine press limited edition book with translations of Rainer Maria Rilke's late French language suite The sequences written over the last four years of his life were a new beginning for him following the completion of the Duino Elegies and The Sonnets to Orpheus Less often translated than his other work and in general brief the work nevertheless carries forward the aesthetic project of his major work in German The translation of the posthumously published sequence Les Roses is offered here alongside an accompanying set of pen and ink drawings by Seattle artist Clare Johnson Also included is translator David Need's essay on the motif of the rose in Rilke's poetry as well as a translation of numerous German language poems in which Rilke turns to and stages the figure of the rose that thing that we are like that is both impossibly interior and yet also thrown out into and at stake in the world **RILKE: Duino Elegies** Rainer Maria Rilke, 2024-09-26 Duino Elegy by Rainer Maria Rilke part of the larger collection Duino Elegies is a profound exploration of human existence suffering and the quest for meaning in an

uncertain world Written during a period of personal and societal turmoil Rilke meditates on the fragility of life the limitations of human perception and the desire for transcendence In this elegy Rilke invokes the voices of angels to contrast the human experience emphasizing the overwhelming and often inaccessible nature of higher truths and divine understanding The text is rich with themes of existential questioning and poetic imagery reflecting Rilke s internal struggles and his confrontation with the isolation that accompanies human consciousness The First Elegy particularly grapples with the inevitability of suffering and death while also exploring the tension between earthly life and the longing for a higher spiritual existence Through vivid and often melancholic language Rilke portrays humanity as caught in a tragic and beautiful dance with fate aware of its mortality yet yearning for a deeper connection to the infinite Since its publication Duino Elegies has been celebrated for its deep philosophical insights and its intricate lyrical beauty The work continues to resonate with readers and scholars alike for its timeless reflections on the human condition making it a cornerstone of modern existential and mystical poetry The First Elegy with its emotional intensity and intellectual depth remains one of the most discussed and revered pieces in Rilke s poetic oeuvre Rainer Maria Rilke Frederik Wilhelm van Heerikhuizen,1951 *Rilke on Love and Other Difficulties* Rainer Maria Rilke,1975 **The Poetry of Rainer Maria Rilke** Rainer Maria Rilke,2015-05-11 The Poetry of Rainer Maria Rilke A translation into English with Commentary by A S Kline Illustrated with photographs of the sculpture of Auguste Rodin This compilation comprises The Duino Elegies in complete translation The Fountain of Joy a new commentary on Rilke s Duino Elegies Selected Further Poems including excerpts from Sonnets to Orpheus Rainer Maria Rilke was born in Prague the capital of Bohemia in 1875 He studied in Prague and Munich before travelling widely In 1902 he arrived in Paris where he subsequently became Auguste Rodin s secretary It was here that he developed the more objective style of his collection New Poems Neue Gedichte 1907 During the winter of 1911 1912 Rainer Maria Rilke was invited to Castle Duino near Trieste where he began the Duino Elegies The work would however remain unfinished for a decade Creatively muted by bouts of depression in part caused by the First World War Rilke did not complete the Elegies until 1922 His Sonnets to Orpheus were written in the same year during a three week paroxysm of creativity The Duino Elegies and Sonnets to Orpheus deploy and extend both his early lyrical gifts and subsequently more objective formal style in a poetry of philosophical and spiritual depth centred around a view of life and death as forming a complete whole and demanding a full human response to both the positive and negative aspects of both these realms In that sense he is a poet of both darkness and light of the bleak and sparse but also the spiritual and consolatory Ideas from late nineteenth century existentialist philosophy the influence of artists like Rodin and Picasso and a subtle awareness of Psychology as a developing area of intellectual exploration can all be found in his work while his spiritual and poetic world is revealed as both highly individualistic and profoundly modernistic despite its Romantic lyrical heritage This and other texts available from Poetry in Translation www.poetryintranslation.com **The 20th Century O-Z** Frank N. Magill,2013-05-13 Each volume of the

Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Decoding **Rainer Maria Rilke His Life Work**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
