*Raise the red dawn*, 1991      Raise the Red Dawn Bart Davis, 1991-01-01      **Voyage of the Storm** Bart Davis, 1995  
America's West Coast is at risk and Admiral MacKenzie has but one vessel under his command the H M S Storm a World War II sub salvaged from the bottom of the sea Japanese terrorists have hijacked in mid ocean a deadly shipment of Russian plutonium and have taken hostages among them MacKenzie's CIA agent wife Now the Storm is underway and hell's to pay

*The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual* Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal

**Anytime Anywhere** Samuel M. Katz, 1997 From the Empire State Building slaughter to the crash of TWA Flight 800 follow the front line action of the New York Police Department's Emergency Services Unit in a riveting eyewitness account of the ESU's intrepid Truck Two the squad that patrols Manhattan North Eight page photo insert      *Film* William H. Phillips, 2009-01-02 This clear well illustrated text takes the reader through the basics of film analysis drawing on a wide range of film for discussion Questions of genre and the contexts and meanings of film are considered      *The Distributed Functions of Emergency Management and Homeland Security* David A. McEntire, 2023-07-19 The Distributed Functions of Emergency Management and Homeland Security outlines the roles and responsibilities of various individuals and agencies involved in homeland security and all aspects of emergency management Each chapter focuses on the practical and applied aspects of a range of public servants in various departments and the organizations that they represent Rather than presenting a theoretical exploration alone the book examines the practical knowledge and hands on skills related to various functions and how their decisions and actions play into the larger framework of safety and security in the public private and nonprofit sectors Every professional has a unique and integral part to play in fulfilling their roles and obligations whether it be in relation to prevention mitigation preparedness response or recovery operations Personnel that frequently come to mind in such scenarios include emergency managers geographers and land use planners EMTs and paramedics fire fighters police officers public health officials nurses public administrators and public information officers And while these individuals are integral to homeland security and emergency management there are other professionals that also perform essential duties that while they aren't first to mind are vital to efforts relating to terrorism and disasters this includes pilots in the aviation sector the military attorneys psychologists and forensic professionals serving in pathology DNA and dentistry roles Chapters

provide a holistic rendering of the homeland security and emergency management landscape to present all these various professional capabilities and contributions This includes how current functions are coordinated as well as how future efforts might change relative to a more proactive all hazards and holistic approach As such the book will be a useful resource for students and practitioners to understand the dynamic professions and various disciplines and fields that impact disaster and terrorism preparedness and response capabilities

**The Day After The Day After** Steven Church,2010-02-16 Steven Church grew up in the 1970s and 80s in Lawrence Kansas a town whose predictable daily rhythms give way easily to anxiety and a place that since Civil War times has been a canvas for sporadic scenes of havoc and violence in the popular imagination Childhood was quiet on the surface but Steven grew up scared scared of killer tornadoes winged monkeys violent movies authority figures the dissolution of his parents marriage and most of all in Reagan s America nuclear war His fantasies of nuclear meltdown genetic mutation and post apocalyptic survival find a focal point in 1982 when filming begins in Lawrence for *The Day After* a film which would go on to become the second highest Nielsen rated TV movie Despite cheesy special effects melodramatic plotlines and the presence of Steve Guttenberg the movie had an instant and lasting impact on Church and an entire generation Combining interview personal essay film criticism fact and flights of imagination Church s richly layered and darkly comic memoir

explores the meaning of Cold War fears for his generation and their resonance today A Short History of Film Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2013-02-15 A Short History of Film Second Edition provides a concise and accurate overview of the history of world cinema detailing the major movements directors studios and genres from 1896 through 2012 Accompanied by more than 250 rare color and black and white stills including many from recent films the new edition is unmatched in its panoramic view conveying a sense of cinema's sweep in the twentieth and early twenty first centuries as it is practiced in the United States and around the world Wheeler Winston Dixon and Gwendolyn Audrey Foster present new and amended coverage of the industry in addition to updating the birth and death dates and final works of notable directors Their expanded focus on key films brings the book firmly into the digital era and chronicles the death of film as a production medium The book takes readers through the invention of the kinetoscope the introduction of sound and color between the two world wars and ultimately the computer generated imagery of the present day It details significant periods in world cinema including the early major industries in Europe the dominance of the Hollywood studio system in the 1930s and 1940s and the French New Wave of the 1960s Attention is given to small independent efforts in developing nations and the more personal independent film movement that briefly flourished in the United States the significant filmmakers of all nations and the effects of censorship and regulation on production everywhere In addition the authors incorporate the stories of women and other minority filmmakers who have often been overlooked in other texts Engaging and accessible this is the best one stop source for the history of world film available for students teachers and general audiences alike **The Silent Tears** Ma Xiaoxi, 2019-12-30 I never thought about how I would face separation in the future I never thought about how I would face death in the future If I had to go through life and death and love and hate I would rather stay with you until I die Looking at Liu Yan in the crook of her arm sleeping so soundly but sleeping so restlessly Anhang lightly kissed her brow The 37 touch melted the knot in her heart that had gathered on her brow In the time it took for a spark to fly off a piece of flint it was as if that sweet summer had returned *The Columbia Companion to American History on Film* Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a

bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

**History and Film** Maarten Pereboom, 2016-09-13 The ability to view recorded moving pictures has had a major impact on human culture since the development of the necessary technologies over a century ago For most of this time people have gone to the movies to be entertained and perhaps edified but in the meantime television the videocassette recorder VCR the digital versatile disk DVD player the personal computer desktop and laptop the internet and other technologies have made watching moving pictures possible at home in the classroom and just about anywhere else Today moving images are everywhere in our culture Every day moving picture cameras record millions of hours of activity human and otherwise all over the world your cell phone makes a little video of your friends at a party the surveillance camera at the bank keeps an eye on customers journalists shoulder carried cameras record the latest from the war zone and across the world film artists work on all kinds of movies from low budget independent projects to the next big budget Hollywood blockbuster Moving pictures have had a great influence on human culture and this book focuses on using moving images as historical evidence Studying history means examining evidence from the past to understand interpret and present what has happened in different times and places We talk and write about what we have learned hoping to establish credibility both for what we have determined to be the facts and for whatever meaning or significance we may attach to our reconstruction of the past Studying history is a scientific process involving a fairly set methodology We tend to favor written sources and we have tended to favor writing as a means of presenting our views of the past But historians also use all kinds of other documents and artifacts in their work of interpreting the past including moving pictures **Film Genre 2000** Wheeler W.

Dixon, 2000-02-24 New essays by prominent film scholars address recent developments in American genre filmmaking

**The "Inscrutably Chinese" Church** Nathan Faries, 2010-09-23 The first half of the twenty first century promises to be a time of great change for the Christian church in the People's Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The Inscrutably Chinese Church moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to

the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close

**The Asian Influence on Hollywood Action Films** Barna William Donovan, 2014-09-17 Filmmakers of the Pacific Rim have been delivering punches and flying kicks to the Hollywood movie industry for years This book explores the ways in which the storytelling and cinematic techniques of Asian popular culture have migrated from grainy low budget martial arts movies to box office blockbusters such as The Magnificent Seven Star Wars The Matrix and Transformers While special effects gained prominence the raw and gritty power of live combat emerged as an audience favorite spawning Asian stars Bruce Lee and Jackie Chan and martial arts trained stars Chuck Norris and Steven Seagal As well as capturing the sheer onscreen adrenaline rush that characterizes the films discussed this work explores the impact of violent cinematic entertainment and why it is often misunderstood
