simple houses Otherwise the Aeolians are timeless Their scale is geological rather than historical and the spitting fiery Stromboli is their symbol With an unerring sense of the dramatic Jules Verne chose Stromboli for the climax to his Journey to the Centre of the Earth I have kept the dialogue to a minimum not because talk isn't important to an Aeolian not one I met would read or write rather than talk but because straightforward translations miss the range of modulation and intonation on which a Sicilian prides himself and because any reported conversation with Italians necessarily lacks the accompanying vocabulary and gesture and facial contortion If you haven't listened to a Sicilian argument I can't do it for you If you have you'll never forget it anyway and will easily imagine whatever I omit PHILIP WARD Part of the Oleander Classics series this 1973 title has been reproduced using the highest quality modern scanning technology in order to keep this and other important works from the Press's 50 year history from going out of print In this way the invaluable resources provided by books in the series remain available for general readers academics and other interested parties The Art and Poetry of Ramuz David

Bevan, 1977 **The Other Italy** Hermann W. Haller, 1999-01-01 Italy possesses two literary canons one in the Tuscan language and the other made up of the various dialects of its many regions The Other Italy presents for the first time an overview of the principal authors and texts of Italy's literary canon in dialect It highlights the cultivated dialect poetry drama and narrative prose since the codification of the Tuscan literary language in the early sixteenth century when writing in dialect became a deliberate and conscious alternative to the official literary standard The book offers a panorama of the literary dialects of Italy over five centuries and across the country's regions shedding light on a profoundly plurilingual and polycentric civilization As a guide to reading and research it provides a compendium of literary sources in dialect arranged by region and accompanied by syntheses of regional traditions with selected textual illustrations A work of extraordinary importance The Other Italy was awarded the Modern Language Association of America's Aldo and Jean Scaglione Publication Award for a Manuscript in Italian Literary Studies It will serve scholars as an indispensable resource book for years to come
