

Roman Britain And The Roman Navy

Patricia Southern

Roman Britain And The Roman Navy:

Roman Britain and the Roman Navy David J. P. Mason, 2003 This interesting and well illustrated study focuses on one particular element of the Roman navy the Classis Britannica Mason draws on recent excavations of Saxon shore forts the remains of the few warships that have been found and the distribution of Classis Britannica tile stamps in England and along the coast of mainland Europe to identify the organization of the British fleet the location of its ports and harbors the type of ships used and the sea paths taken

The Roman Occupation of Britain and its Legacy Rupert Jackson, 2020-09-03 This book tells the fascinating story of Roman Britain beginning with the late pre Roman Iron Age and ending with the province s independence from Roman rule in AD 409 Incorporating for the first time the most recent archaeological discoveries from Hadrian s Wall London and other sites across the country and richly illustrated throughout with photographs and maps this reliable and up to date new account is essential reading for students non specialists and general readers alike Writing in a clear readable and lively style with a satirical eye to strange features of past times Rupert Jackson draws on current research and new findings to deepen our understanding of the role played by Britain in the Roman Empire deftly integrating the ancient texts with new archaeological material A key theme of the book is that Rome s annexation of Britain was an imprudent venture motivated more by political prestige than economic gain such that Britain became a trophy province unable to pay its own way However the impact that Rome and its provinces had on this distant island was nevertheless profound huge infrastructure projects transformed the countryside and means of travel capital and principal cities emerged and the Roman way of life was inseparably absorbed into local traditions Many of those transformations continue to resonate to this day as we encounter their traces in both physical remains and in civic life

Roman Britain Patricia Southern, 2011-09-15 The most authoritative history of Roman Britain ever published for the general reader *The History of Manchester: The Roman and Roman-British period* John Whitaker, 1771

The Fall of Roman Britain John Lamshead, 2022-06-20 Fascinating Will have a very special appeal to readers interested in the evolution of the English language Roman history and medieval British history Midwest Book Review The end of empire in Britain was both more abrupt and more complete than in any of the other European Roman provinces When the fog clears and Britain re enters the historical record it is unlike other former European provinces of the Western Empire dominated by a new culture that speaks a language that is neither Roman nor indigenous British Brythonic and with a pagan religion that owes nothing to Romanitas or native British practices Other ex Roman provinces of the Western Empire in Europe showed two consistent features conspicuously absent from the lowlands of Britain the dominant language was derived from the local Vulgar Latin and the dominant religion was a Christianity that looked toward Rome This leads naturally to the question What was different about Britannia A further anomaly in our understanding lies in the significant dating mismatch between historical and archaeological data of the Germanic migrations and the latest genetic evidence The answer to England s unique early history

may lie in resolving this paradox In this book John Lambshead summarizes the latest data gathered by historians archaeologists climatologists and biologists and synthesizes it into a fresh new explanation

Roman Britain's Pirate King Simon Elliott,2022-08-11 A fascinating and engaging study of the naval commander who defied an emperor and ruled in Britain and northern Gaul for a decade Midwest Book Review In the middle of the third century AD Roman Britain's regional fleet the Classis Britannica disappeared It was never to return Soon the North Sea and English Channel were overrun by Germanic pirates preying upon the east and south coasts of Britain and the continental coast up to the Rhine Delta The western augustus senior emperor Maximian turned to a seasoned naval leader called Marcus Aurelius Mausaeus Valerius Carausius to restore order He was so successful that Maximian accused him of pocketing the plunder he'd recaptured and ordered his execution The canny Carausius moved first and in 286 usurped imperial authority creating a North Sea empire in northern Gaul and Britain that lasted until 296 Dubbed the pirate king he initially thrived seeing off early attempts by Maximian to defeat him However in the early 290s Maximian appointed his new caesar junior emperor Constantius Chlorus the father of Constantine the Great to defeat Carausius A seasoned commander Constantius Chlorus soon brought northern Gaul back into the imperial fold leaving Carausius controlling only Britain But that control would soon come to an end in dramatic fashion as recounted in this lively compelling history

A Brief History of Roman Britain Joan P. Alcock,2011-05-26 In BC 55 Julius Caesar came saw conquered and then left It was not until AD 43 that the Emperor Claudius crossed the channel and made Britain the western outpost of the Roman Empire that would span from the Scottish border to Persia For the next 400 years the island would be transformed Within that period would see the rise of Londinium almost immediately burnt to the ground in 60 AD by Boudicca Hadrian's Wall which was constructed in 112 AD to keep the northern tribes at bay as well as the birth of the Emperor Constantine in third century York Interwoven with the historical narrative is a social history of the period showing how roman society grew in Britain

Iron Age and Roman Coin Hoards in Britain Roger Bland,Adrian Chadwick,Colin Haselgrove,David Mattingly,2020-06-30 More coin hoards have been recorded from Roman Britain than from any other province of the Empire This comprehensive and lavishly illustrated volume provides a survey of over 3260 hoards of Iron Age and Roman coins found in England and Wales with a detailed analysis and discussion Theories of hoarding and deposition and examined national and regional patterns in the landscape settings of coin hoards presented together with an analysis of those hoards whose findspots were surveyed and of those hoards found in archaeological excavations It also includes an unprecedented examination of the containers in which coin hoards were buried and the objects found with them The patterns of hoarding in Britain from the late 2nd century BC to the 5th century AD are discussed The volume also provides a survey of Britain in the 3rd century AD as a peak of over 700 hoards are known from the period from AD 253-296 This has been a particular focus of the project which has been a collaborative research venture between the University of Leicester and the British Museum funded by the AHRC The aim has been to understand the

reasons behind the burial and non recovery of these finds A comprehensive online database <https://finds.org.uk/database> underpins the project which also undertook a comprehensive GIS analysis of all the hoards and field surveys of a sample of them Roman Britain, Roman Spain, Roman Sicily, La Gaule Romaine Tenney Frank,1937 *The Recovery of Roman Britain 1586-1906* Richard Hingley,2008-06-26 An extensively illustrated study of the origins of English and Scottish identity in the reading of classical texts which enabled authors and artists to imagine the character and appearance of their forebears Richard Hingley relates ideas derived from Roman sources to the development of empire and places theories of origin in a European context **Roman Britain (Routledge Revivals)** Edward H. Jones,Michael Hayhoe,Beryl Jones,2015-08-14 Roman Britain first published in 1972 gives the young reader a vivid impression of the British Isles immediately preceding during and after the Roman occupation which lasted for 400 years Using a selection of extracts both historical and imaginative it offer a suitably comprehensive account of Roman Britain the campaigns fought to subdue it the military and civil government established to govern it relations between the Imperial administration and the natives and the departure of the legions to fight elsewhere in the Empire Selections of poetry by John Masefield W H Auden Rudyard Kipling and A E Housman are included together with prose extracts from Bede Tacitus Hilary Belloc Henry Treece Alfred Duggan Rudyard Kipling Physically compact Roman Britain encourages young classicists and historians to engage imaginatively with the subject whilst also supplying ample opportunity for more detailed discussion and further reading The Romans and The Antonine Wall of Scotland John Richardson,2019-01-28 With the coming of the Roman General Gaius Julius Caesar to Britain in both 55BC and 54BC life changed forever for the tribes inhabiting the British islands Emperor of Rome Antoninus Pius succeeded Emperor Hadrian on his death in AD 138 It was Antoninus who gave orders for the Roman Army to march into Scotland Under his instructions the new Roman frontier was built The Antonine Wall in Scotland The Antonine Guard belong to a History Society driven to inform on Scotland's ancient history The Sixth Legion stood as example and source for research for the modern Antonine Guard A founder member of this Society John S Richardson grew up with a fascination for civilizations of the past and has a lifelong interest in the history of Egypt Greece and Rome This book he wrote especially for you Britannia Romana; or, the Roman antiquities of Britain: in three books. The I. contains the history of all the Roman transactions in Britain. ... II. ... a complete collection of the Roman inscriptions and sculptures which have hitherto been discovered in Britain. ... III. ... the Roman geography of Britain, etc. MS. notes and additions John HORSLEY (F.R.S.),1732 The Roman Emperors of Britain Tony Sullivan,2024-05-02 This book provides a unique take on the history of Roman Britain from Julius Caesar's first invasion to the end of Roman authority In 55 BC on a stretch of beach near Deal in East Kent the Romans first invasion was in great danger of being pushed back into the sea by a host of Britons defending the beach The eagle bearer of the Tenth Legion jumped into the surf and urged his comrades to follow him a pivotal moment in Julius Caesar's first invasion It was to be another ninety years before Claudius finally subdued part of the island and paraded in

triumph into the stronghold at Camulodunum Roman authority quickly expanded from Vespasian's dramatic campaign against the hillforts of southern Britain to Hadrian's famous Wall in the north This book will cover not the reign of Emperors but what posts they held in Britain prior to their achieving the throne Titus served as a tribune directly after the Boudiccan revolt Pertinax served in three posts equestrian tribune of the Sixth Legion praefectus of an auxiliary unit and finally as a governor of Britannia It will cover the civil war between Clodius Albinus and Septimius Severus and the later campaigns into Scotland The upheavals of the third century and the breakaway regimes of Postumus and Carausius the pirate king In the fourth century Britain continued to produce usurpers and tyrants but only one managed to unite the empire Constantine I His namesake Constantine III was to be the last emperor to lead troops from Britain to Gaul leaving the province to fend for itself into the fifth century

Forts and Roman Strategy Paul Coby, 2022-09-08 Paul Coby here proposes a new system for the recording and mapping of Roman forts and fortifications that integrates all the data including size dating and identification of occupying units Application of these methods allows analysis that brings new insights into the placement of these forts the units garrisoning them and the strategy of conquest and defense they underpinned This is a new and original contribution to the long running debate over whether the Roman Empire had a coherent grand strategy or merely reacted piecemeal to emerging needs Although the author focuses on several major campaigns in Britain as case studies the author stresses that his methods are also applicable to elsewhere in the Empire Lavishly illustrated with color maps the book is also supported by a website and blogs encouraging further investigation and discussion

UnRoman Britain Miles Russell, Stuart Laycock, 2011-09-30 When we think of Roman Britain we tend to think of a land of togas and richly decorated palaces with Britons happily going about their much improved daily business under the benign gaze of Rome This image is to a great extent a fiction In fact Britons were some of the least enthusiastic members of the Roman Empire A few adopted Roman ways to curry favour with the invaders A lot never adopted a Roman lifestyle at all and remained unimpressed and riven by deep seated tribal division It wasn't until the late third early fourth century that a small minority of landowners grew fat on the benefits of trade and enjoyed the kind of lifestyle we have been taught to associate with period Britannia was a far away province which whilst useful for some major economic reserves fast became a costly and troublesome concern for Rome much like Iraq for the British government today Huge efforts by the state to control the hearts and minds of the Britons were met with at worst hostile resistance and rebellion and at best by steadfast indifference The end of the Roman Empire largely came as business as usual for the vast majority of Britons as they simply hadn't adopted the Roman way of life in the first place

A Companion to the Roman Army Paul Erdkamp, 2010-12-13 This companion provides an extensive account of the Roman army exploring its role in Roman politics and society as well as the reasons for its effectiveness as a fighting force An extensive account of the Roman army from its beginnings to its transformation in the later Roman Empire Examines the army as a military machine its recruitment training organization tactics and weaponry Explores the relationship of the army

to Roman politics economics and society more broadly Considers the geography and climate of the lands in which the Romans fought Each chapter is written by a leading expert in a particular subfield and takes account of the latest scholarly and archaeological research in that area

British Celtic Warrior vs Roman Soldier William Horsted,2022-07-21 An illustrated study of the British tribal warriors and Roman auxiliaries who fought in three epic battles for control of Britain in the 1st century AD Following the Roman invasion of Britain in AD 43 the tribes of the west and north resisted the establishment of a Roman peace led in particular by the chieftain Caratacus Even in the south east resentment of Roman occupation remained exploding into the revolt of Boudicca s Iceni in AD 60 Roman auxiliaries from two particular peoples are known to have taken part in the invasion of Britain the Tungrians from what is now Belgium and the Batavians from the delta of the River Rhine in the modern Netherlands From the late 80s AD units of both the Batavians and the Tungrians were garrisoned at a fort at Vindolanda in northern Britain The so called Vindolanda tablets provide an unparalleled body of material with which to reconstruct the lives of these auxiliary soldiers in Britain Featuring full colour maps and specially commissioned battlescene and figure artwork plates this book examines how both the British warriors and the Roman auxiliaries experienced the decades of conflict that followed the invasion Their recruitment training leadership motivation culture and beliefs are compared alongside an assessment of three particular battles the final defeat of Caratacus in the hills of Wales in AD 50 the Roman assault on the island of Mona Anglesey in AD 60 and the battle of Mons Graupius in Scotland in AD 83

Roman Frontier Studies 2009 Nick Hodgson,Paul Bidwell,Judith Schachtmann,2017-06-30 Proceedings of the 21st International Congress of Roman Frontier Studies LIMES XXI hosted by Tyne Wear Archives Museums Newcastle upon Tyne UK in August 2009

The Western Frontiers of Imperial Rome Steven K. Drummond,Lynn Harry Nelson,1994 Discusses Rome s challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95
