Dragon in Ambush Jeremy Ingalls, 2013-05-16 *Dragon in Ambush* by Jeremy Ingalls is a critique and new translation of the first twenty poems of Mao Zedong s published poetry This seminal work stands out from previous translations of Mao s poems in seeing them as an expression of his core political beliefs rather than for their poetic effect Instead Dr Ingalls shows in consummate detail that Mao was careful and deliberate in employing imagery in his poetry to lay out procedures for political supremacy in which the central drive was his will to psychological domination That is domination of the minds of others is the unifying theme of Mao s verse sequence The crux of Prof Ingalls work lies in her focus on the symbolism in the poems The poems are in Mao s use of them as a means of communication meaningless on their surface No image however seemingly commonplace is ever employed for merely lyrical or aesthetic description Every image functions as a factor in an entirely political calculus According to Dr Ingalls When Mao mentions streams or mountains suns or moons clouds or winds or icicles horses elephants snakes tigers leopards or bears specifies kinds of trees or birds or fish flies brooms mats or bridges these and all his other images have as their primary function neither happenstance descriptions nor whimsical metaphor They all have politically symbolic functions in Mao s algebra of versified political discourse Furthermore in her analysis Prof Ingalls downplays the significance of Marxism Leninism in the Thought of Mao Zedong She shows that throughout his career Mao regarded Marxism Leninism as a political convenience not as a doctrine permanently essential to his master plan Just as Mao used the Nationalists of Chiang Kai shek and Stalin s Soviet Union as means to further his own political ambitions so did he manipulate Marxist Leninist ideology to hoodwink and attract at home and abroad professional revolutionaries to help do his bidding Mao s aims express in their worldviews an

entirely Chinese tradition In his poems Mao's dialectics his materialism and his authoritarianism all take their points of reference from within the Chinese cultural order *Dragon in Ambush* is a thoroughly unique and revolutionary approach to understanding the Mind of Mao Zedong **Imaginary Games** Chris Bateman, 2011-11-16 Can games be art When film critic Roger Ebert claimed in 2010 that videogames could never be art it was seen as a snub by many gamers But from the perspective of philosophy of art this question was topsy turvy since according to one of the most influential theories of representation all art is a game Kendall Walton's prop theory explains how we interact with paintings novels movies and other artworks in terms of imaginary games like a child's game of make believe wherein the artwork acts as a prop prescribing specific imaginings and in this view there can be no question that games are indeed a strange and wonderful form of art In *Imaginary Games* game designer and philosopher Chris Bateman expands Walton's prop theory to videogames board games collectible card games like Pok mon and Magic the Gathering and tabletop role playing games like Dungeons Dragons The book explores the many different fictional worlds that influence the modern world the ethics of games and the curious role the imagination plays in everything from religion to science and mathematics **An Outline of Chinese Literature I** Yuan Xingpei, 2017-07-28 Different from previous researches weighted toward historical description and individual writer and work this book establishes a general analytical system and a multi angled methodology to examine Chinese literature **Narrating China** Yiyuan Wang, 2006 Jia Pingwa's novels have caused both fame and controversy throughout the Chinese speaking world This pioneering study examines the corpus of Pingwa's writings emphasizing his importance prominence and relevance to modern Chinese society *Collapsed empires* José M. Faraldo, 2020-01-01 The Russian Revolution of 1917 born of the collapses of the War exerted its influence all along the globe and for a long time In Europe and the Mediterranean world the effects of World War I were overwhelming Taking as point of departure the year of the Russian revolutions this book focus on the consequences of the imperial and state collapses after 1917 in spatial and chronological dialogue researching the changing of institutions that created narratives and representations of national memories exploring the nationalist movements that shaped the new countries and describing the communist activists that helped to transform the old world within the framework of a tragedy of terrible dimensions Jos M Faraldo is Associate Professor in the Department of Modern and Contemporary History of the Universidad Complutense de Madrid **A History of Literature in the Ming Dynasty** Shuofang Xu, Qiuhe Sun, 2022-01-22 This book explores poems novels legends operas and other genres of writing from the Ming Dynasty It is composed of two parts the literary history and comprehensive reference materials based on the compilation of several chronologies By studying individual literary works the book analyzes the basic laws of the development of literature during the Ming Dynasty and explores the influences of people time and place on literature from a sociological perspective In turn it conducts a contrastive analysis of Chinese and Western literature based on similar works from the same literary genre and their creative methods The book also investigates the relationship

between literary theory and literary creation practices including those used at various poetry schools In closing it studies the unique aesthetic traits of related works Sharing valuable insights and perspectives the book can serve as a role model for future literary history studies It offers a unique resource for literary researchers reference guide for students and educators and lively read for members of the general public

The Chinese Virago Yenna Wu, 2020-10-26 Drawing from a broad array of literary historical dramatic and anecdotal sources Yenna Wu makes a rich exploration of an unusually prominent theme in premodern Chinese prose fiction and drama that of jealous and belligerent wives or viragos who dominate their husbands and abuse other women Focusing on Chinese literary works from the sixteenth to the eighteenth centuries she presents many colorful perspectives on this type of aggression reviewing early literary and historical examples of the phenomenon Wu argues that although the various portraits of the virago often reveal the writers insecurities about strong willed women in general the authors also satirize the kind of man whose behavioral patterns have been catalysts for female aggression She also shows that while the women in these works are to some extent male constructs designed to affirm the patriarchal system various elements of these portraits constitute a subversive form of parody that casts a revealing light on the patriarchal hierarchy of premodern China

Kodae Sosol W. E. Skillend, 2013-11-26 First Published in 2004 This work is concerned with kodae sosol particularly with investigating what kodae sosol exist or have existed in texts in Korean in a traditional style One aim of this catalogue of titles is to make it more widely known what there is to be read It is hoped that those who can read them will do so and perhaps even agree that they ought to be made easier by reprinting annotation or translation for others to read

Conservatism and the Kissinger-Mao Axis Lam Lai Sing, 2015-05-20 Kissinger's dual purpose instrument of the US China and US Soviet détente was devised to achieve a stable balance of power in the contemporary world in the second half of the 1960s Stimulated by both Kissinger's doctrine and the historical novel the Romance of the Three Kingdoms Mao's global order of tripolarity was created to feature the new US China relations in the early 1970s with his initiative of the ping pong diplomacy through this Kissinger Mao axis This made his quest for a modernization revolution possible with the Western market oriented approach Strengthening Mao's modernization program Xiaoping's good neighborhood policy was designed to induce the world to help modernize China Vitality including Russia with the collapse of the Soviet Union Deng's policy helped maintain a peaceful and stable international environment though it also marked the end of Mao's global order Perceiving the PRC's rise as a threat to its dominance in the Asia Pacific region the US containment effort was enhanced with US Japanese collusion and siding with the Philippines and Vietnam in relevant maritime disputes with the PRC The US united with the Republic of Korea nations in Southeast Asia and Australia in establishing a wide range alliance to go against the China threat The post Cold War eastward expansion of the US led NATO and the Russian determination to be a great power again contributed to tension with the United States The Russian desire to maintain its nuclear deterrent capability was at odds with the US missile defense plans Thus the US deployment of its missile
