

THE ROMANCE OF KING ARTHUR

AND HIS KNIGHTS
OF THE ROUND TABLE

ILLUSTRATED BY ARTHUR RACKHAM

Romance Of King Arthur

Arthur (King.)

Romance Of King Arthur:

The Romance of King Arthur and His Knights of the Round Table Sir Thomas Malory, 1926 **The Romance of King Arthur and His Knights of the Round Table** Sir Thomas Malory, 2016-11-16 Sir Thomas Malory's *Le Morte d'Arthur* is the basis for the vast literature concerning King Arthur and his Knights of the Round Table. Malory compiled, translated, and edited the tales from earlier French sources, and all later authors who added to Arthurian legend are indebted to his work. This handsome edition features 16 of Arthur Rackham's finest color illustrations, and Malory's text was edited for modern readers by English scholar Alfred W. Pollard. An essential treasury edition for any collector of Arthurian myths or Rackham enthusiast. Film fans will also cherish this deluxe hardcover; the stories have inspired numerous movie adaptations, including the 2017 release *Knights of the Roundtable: King Arthur* directed by Guy Ritchie and starring Charlie Hunnam, Jude Law, Eric Bana, Djimon Hounsou, and Annabelle Wallis. *Handbook of Arthurian Romance* Leah Tether, Johnny McFadyen, 2017-06-26 The renowned and illustrious tales of King Arthur, his knights, and the Round Table pervade all European vernaculars as well as the Latin tradition. Arthurian narrative material, which had originally been transmitted in oral culture, began to be inscribed regularly in the twelfth century, developing from pseudo-historical beginnings in the Latin chronicles of historians such as Geoffrey of Monmouth into masterful literary works like the romances of Chrétien de Troyes. Evidently a big hit, Arthur found himself being swiftly translated, adapted, and integrated into the literary traditions of almost every European vernacular during the thirteenth and fourteenth centuries. This Handbook seeks to showcase the European character of Arthurian romance, both past and present. By working across national philological boundaries, which in the past have tended to segregate the study of Arthurian romance according to language, as well as by exploring primary texts from different vernaculars and the Latin tradition in conjunction with recent theoretical concepts and approaches, this Handbook brings together a pioneering and more complete view of the specifically European context of Arthurian romance and promotes the more connected study of Arthurian literature across the entirety of its European context. The Romance of King Arthur and His Knights of the Round Table Sir Thomas Malory, Sir Arthur Rackham, Alfred W. 1859-1944 Pollard, 2015-11-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity, individual, or corporate, has a copyright on the body of the work.
