wine to testify their gratitude His popularity was very great his skill considered marvellous and his inability to do ME any good arose I must perforce imagine out of some defect or hidden obstinacy in my constitution which was to him a new experience

A Romance of Two Worlds Marie Corelli, 2016-03-08 In this cultivated age a wall of skepticism and cynicism is gradually being built up by intellectual thinkers of every nation against all the treats of the Supernatural and Unseen I am aware that my narration of the events I have recently experienced will be read with incredulity At a time when the great empire of the Christian Religion is being assailed or politely ignored by governments and public speakers and teachers I realize to the fullest extent how daring is any attempt to prove even by a plain history of strange occurrences happening to one's self the actual existence of the Supernatural around us and the absolute certainty of a future state of being after the passage through that brief soul-torpor in which the body perishes known to us as Death
