Herman Melville (August 1, 1819 – September 28, 1891) was an American novelist, short story writer, and poet of the American Renaissance period. His best-known works include *Typee* (1846), a romantic account of his experiences in Polynesian life, and his whaling novel *Moby-Dick* (1851). His work was almost forgotten during the last 30 years of his life. His writing draws on his experience at sea, as a common sailor, exploration of literature and philosophy, and engagement in the contradictions of American society in a period of rapid change. He developed a complex baroque style; the vocabulary is rich and original, a strong sense of rhythm infuses the elaborate sentences, the imagery is often mystical or ironic, and the abundance of allusion extends to biblical scripture, myth, philosophy, literature, and the visual arts.

Typee: A Romance of the South Seas Herman Melville, 2021-01-11 There is something slithery about him. Something always half seas over. In his life, they said he was mad or crazy. He was neither mad nor crazy. But he was over the border. There he is, then, in *Typee*, among the dreaded cannibal savages.

Four Great Novels by Herman Melville, . Including Moby Dick, Typee, a Romance of the South Seas , Omoo Herman Melville, 2013-04-01 *Moby-Dick* is a literary classic. It charts the adventures of a madman as he pits his wits against a creature huge and dangerous, set against the haunting background of the sea and its legends and myths. This is not a book about whaling; more, a book about humanity, belief, and perception, written with skill and humor. The book deserves its position as a classic epic tale. *Typee* was Herman Melville's first book. He mixes his personal experience of living with the primitive South Sea islanders for four months with further research and his powerful imagination to produce this great work. During his lifetime, this book won him great fame, shocking his contemporaries with his descriptions of tribal life. The *Readers Encyclopedia* described it thus: "A vivid picture of a civilized man in contact with the exotic, dream-like life of the tropics." *Omoo* is the Polynesian word for someone who roams from island to island. The book is once again based on his own experiences; this time, he is a crew member whaling in the South Seas. The book gives an account of the life of a sailor in the nineteenth century, on the high seas, enlisting the locals, handling deserters, and mutiny, visiting beautiful Polynesian islands. A fascinating window through time and space. *Redburn* is a novel taking us back to Herman Melville's youth. In this book, he is a boy on a packet ship sailing between New York and Liverpool. It is a coming-of-age story, moving from innocence to manhood, encountering bullying, slavery, and social privilege. It is punctuated with humor and irony, metaphor, and transcendence. A semi-autobiographical novel, it helps us understand Herman Melville.

Omoo Herman Melville, 1969 Melville's second book Omoo begins where his first book Typee left off As the author said It embraces adventures in the South Seas of a totally different character from Typee and includes an eventful cruise in an English Colonial Whaler a Sydney Ship and a comical residence on the island of Tahiti The popular success of his first novel encouraged Melville to write a sequel hoping it would be a fitting successor Typee describes Polynesian life in its primitive state while Omoo represents it as affected by non native influences This scholarly edition aims to present a text as close to the author's intention as surviving evidence permits Based on collations of all editions published during Melville's lifetime it incorporates author corrections and many emendations made by the present editors This edition of Omoo is an
