Romanov Connection:

The Race to Save the Romanovs Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs

The Romanov Prophecy Steve Berry, 2004-08-31 Ekaterinburg Russia July 16 1918 Ten months have passed since Nicholas II s reign was cut short by revolutionaries Tonight the White Army advances on the town where the Tsar and his family are being held captive by the Bolsheviks Nicholas dares to hope for salvation Instead the Romanovs are coldly and methodically executed Moscow Present Day Atlanta lawyer Miles Lord fluent in Russian and well versed in the country s history is thrilled to be in Moscow on the eve of such a momentous event After the fall of Communism and a succession of weak governments the Russian people have voted to bring back the monarchy The new tsar will be chosen from the distant relatives of Nicholas II by a specially appointed commission and Miles job is to perform a background check on the Tsarist candidate favored by a powerful group of Western businessmen But research quickly becomes the least of Miles concerns when he is nearly killed by gunmen on a city plaza Suddenly Miles is racing across continents shadowed by nefarious henchmen At first his only question is why people are pursuing him But after a strange conversation with a mysterious Russian who steers Miles toward the writings of Rasputin he becomes desperate to know more most important what really happened to the family of Russia s last tsar His only companion is Akilina Petrov a Russian circus performer sympathetic to his struggle and his only guide is a cryptic message from Rasputin that implies that the bloody night of so long ago is not the last chapter in the Romanovs story and that someone might even have survived the massacre The prophecy s implications are earth shattering not only for the future of the tsar and mother Russia but also for Miles himself Steve Berry
