Griffiths,2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don t know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ The Grace of Christ, Third Edition Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him

When Wright is Wrong Phillip D. R. Griffiths,2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel *SUPERABOUNDING GRACE AN EXPOSITION OF ROMANS 5-8 FOR MEN* G. Brian Christie,2024-01-31 This book is intended for Christian men who want to grow in their faith by understanding knowing and applying God s Word to their daily lives It is a solid exposition of Romans 5 8 in which the apostle Paul sets out the benefits of justification and God s superabounding grace which include reconciliation salvation from God s wrath on that Final Judgment Day eternal life new life in Christ serving in the new way of the Spirit freedom from the old realm of sin and death and the benefits and blessing of being indwelt by the Spirit But the thrust of these chapters is God s unstoppable purpose to bring us justified sinners to glory resurrection bodies on the restored earth with Christ forever This book is not written by a seminary professor pastor or full time Christian worker It is written by a businessman to businessmen as a fellow traveler who has spent a lifetime immersed in the hurly burly of the business world So the application of the exposition directly addresses the issues men in the business world face on a daily basis like greed pride sexual temptation anger patience priorities humility lying exaggeration and perseverance It is heavy on grace forgiveness and restoration Each chapter can be read in about ten to twelve minutes Ideal for busy men Recommend reading one a day for forty days or as part of a men s Bible study group a chapter or two a week G Brian Christie ThM Dallas Theological Seminary JD University of

Be Mature in Understanding Ben Midgley, Martin Pakula, Paul F. Morris, 2021-04-21 This book has been written out of a deep concern to see Jewish believers in Yeshua Jesus playing their part in the worldwide church of Messiah using their knowledge of God's word their Jewishness their natural and spiritual gifts and a humble thankful heart Knowledge of the truths of Scripture is a vital key to love for God and fruitfulness in his service and this book focuses on both the Bible's unfolding story biblical theology and its specific doctrines and their interrelationship systematic theology Our aim is to build a biblical framework of thinking in the heart and mind It is written from an evangelical understanding and in a way that interacts with the main forms of Judaism and Christianity It is a study book with questions to answer and further reading suggestions Similar books of doctrine with the same scope have been written but few if any take account of the context of Jewish readers and the issues which are important to them The authors have attempted to achieve this within the context of the whole counsel of God Error sets no one free but truth does the hope of the authors is for readers to be free to love and serve the Lord with all their mind and heart

Preaching and Preachers D. Martyn Lloyd-Jones, 2012-01-24 Some may object to my dogmatic assertions but I do not apologize for them Every preacher should believe strongly in his own method and if I cannot persuade all of the rightness of mine I can at least stimulate them to think and to consider other possibilities I can say quite honestly that I would not cross the road to listen to myself preaching and the preachers whom I have enjoyed most have been very different indeed in their method and style But my business is not to describe them but to state what I believe to be right however imperfectly I have put my own precepts into practice I can only hope that the result will be of some help and especially to young preachers called to this greatest of all tasks and especially in these sad and evil times With many others I pray that The Lord of the harvest may thrust forth many mighty preachers to proclaim the unsearchable riches of Christ

The Grace of Christ Eric Roessing, 2016-07-29 Martin Luther and other Reformers were instruments in God's hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In The Grace of Christ the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1:1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of

Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6 15 16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more

A Tidy Faith Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing prooftexts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry
