The Divine-Human Relationship in Romans 1-8 in the Light of Interdependence Theory Yoonjong

Kim,2020-11-12 Yoonjong Kim analyses the divine human relationship in Paul s theology focusing on Paul s portrayal of the relationship in Romans 1 8 Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal To address the significance of the human agent s role in the relationship Kim employs a social psychological theory interdependence theory offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner s expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1 8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1 18 3 20 restoration 3 21 26 5 1 11 the oppressive relationship with Sin 5 12 8 11 and the investment for the future 8 12 39 and concludes that although the foundation of the relationship rests on God s initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal *Blessed Are the Poor in Spirit* Evangelist John Henry Manigo,2015-10-21 One book or three books My main interest is to help the deaf hard of hearing and hearing people understand the Word of God and to apply it to their own life with Gods help It also gives us as well as the hearing people encouragement help and inspiration from the Word of God and tells us to receive the Word of God by faith My main reason of writing the Trinity to show the example of God Jesus and the Holy Spirit as one and believe that

God is One I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real Gods Word is very real I write the main points because I have heard in the past about their belief their teaching and their faith in God and I am willing to write down what they say and that the Bible has all the answer to our need and purpose I have studied the Bible for forty five years seeking answers and being able to explain better from Gods teaching from Gods Word Whenever I hear people talk about their faith in God I write down Bible verses to help inspire their life positive It would help all of us to grow in grace through our Lord Jesus Christ He has the answer to all our problems My main point is to help them know that they can be saved through Jesus Christ by faith in him alone Only in him shall we be saved Be blessed Evangelist John H Manigo 1 Corinthians 6 1920

interdependence **Steward of God's Mysteries** Jerry L. Sumney,2017-09-14 One view that perennially springs up among biblical scholars is that Paul was the inventor of Christianity or that Paul introduced the idea of a divine Christ to a church that earlier had simply followed the ethical teaching of a human Jesus In this book Jerry Sumney responds to that claim by examining how in reality Paul drew on what the church already believed and confessed about Jesus As he explores how Paul's theology relates to that of the broader early church Sumney identifies where in the Christian tradition distinctive theological claims about Christ his death the nature of salvation and eschatology first seem to appear Without diminishing significant differences Sumney describes what common traditions and beliefs various branches of the early church shared and compares them to Paul's thought Sumney interacts directly with arguments made by those who claim Paul as the inventor of Christianity and approaches the questions raised by that claim in a fresh way *What Has Jerusalem to Do with Beijing?* K.

Mercy for All Robert D. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God s faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul s relationship to the Judaism of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul s letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God s faithfulness to Israel Romans 11 particularly 11 25 32 presents a picture of Israel s redemption and how gentiles relate to Israel s redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of Israel Romans 11 25 32 should be read as a missional paradigm to Israel *Living Church Quarterly*, 1899 **A**

Cultural Translation and Receptions of Paul in the First Four Centuries František Ábel, 2025-07-10

There are two overlapping themes which serve as the focus of *Cultural Translation and Receptions of Paul in the First Four Centuries*: a reception of the apostle Paul in subsequent Christian traditions and b the hypothesis that while Paul himself continued to think as a Jew he was subsequently re-interpreted by non-Jews in non-Jewish and anti-Jewish ways the so-called Paul within Judaism school. The distinctive focus of this volume is on the dynamic of cultural translation meaning for example the translation from the cultural world of Diaspora Judaism and its Septuagint to Greek philosophical and Greek Christian categories. The contributions to the book are diverse ranging from younger to more senior scholars from both North America and Europe.
