Romans Du Feu:

The Jews in the Roman Empire Alfredo Mordechai Rabello, 2024-12-11 The focus of this book is on the legal status of the Jews within the Roman Empire and the changes that it underwent when the empire became Christian Conflicts between Roman and Jewish jurisdiction form an important theme while particular studies deal with questions of conversion the observance of the Sabbath and Festivals Hadrian s decree prohibiting circumcision and with the treatment given to the Samaritans In the field of family law Professor Rabello deals with the issues of the patria potestas family courts marriage and divorce and it is in these areas he holds that a basic understanding can be found of how the early Catholic Church treated Jews and Judaism *Finding the Plot* Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book s scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost *The Gallo-Roman Muse* Dorothy Gabe Coleman, 1979-09-20 In this 1979 book the author examines the Roman values that influenced sixteenth century French literature *Recherches Sur L'origine Flamande Du Roman Du Renard* H. V. D. V., 2025-08-05 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Les Livres de L'année*, 1927

The Military and Colonial Destruction of the Roman Landscape of North Africa, 1830-1900 Michael Greenhalgh, 2014-05-08 The French invaded Algeria in 1830 and found a landscape rich in Roman remains which they proceeded to re use to support the constructions such as fortresses barracks and hospitals needed to fight the natives who continued to object to their presence and to house the various colonisation projects with which they intended to solidify their hold on the country and to make it both modern and profitable Arabs and Berbers had occasionally made use of the ruins but it was still a Roman and Early Christian landscape when the French arrived In the space of two generations this was destroyed just as were many ancient remains in France in part because real architecture was Greek not Roman *Chrétien de Troyes* Douglas Kelly, 2002 The supplement to the 1976 original bibliography reflects the expanding scope of modern Chr tien studies including items from around the world with the assistance of an international team of scholars The Supplement builds on and completes the Chr tien de Troyes Bibliography first published in 1976 Together the two volumes constitute the fullest and most complete bibliographical source now available on this major medieval author Chr tien de Troyes bequeathed

a corpus of highly original and widely influential Arthurian romances Indeed his direct or indirect influence continued throughout the middle ages and beyond into modern times The Bibliography permits students of medieval romance to quickly identify the areas in which Chr tien scholarship has been active Items are listed under twenty two topics with numerous sub sections under each topic and cross references for items that treat more than one of the topics The broad geographic and linguistic scope of modern Chr tien studies is evident in items not only from western Europe and North America but also from the growing body of medieval scholarship in eastern Europe Asia Africa South America and Australasia To ensure accuracy and completeness the editor has been assisted by scholars competent in the many languages in which Chr tien studies are now published most notably in Japanese Welsh Rumanian Hungarian and Polish as well as by other scholars and librarians who generously provided assistance and information in finding items difficult to access
