Romans New Century Bible Ser:

The New-century Bible Walter Frederic Adeney,1922 **Romans** Gerald L. Stevens,2021-05-25 Stevens invokes a powerful synthesis of recent Pauline studies by insisting the category of Israel is the hermeneutical key to all of Romans Through Jesus the Messiah and the power of the Spirit Paul saw fulfilled Isaiah s vision of Israel s destiny to the nations to bring the good news of salvation Recapturing Isaiah s vision broke the spell for Paul of the Great Assembly s postexilic take on Israel Paul s apostleship first and foremost was to Israel not gentiles exclusively Paul used his expos of the gospel of God in Romans to challenge believers in Rome to embrace their place in the messianic Israel of God *Monthly Bulletin of Books Added to the Public Library of the City of Boston* Boston Public Library,1901 Matthew, Mark, Luke Zondervan,2011-03-01 An image rich passage by passage commentary that integrates relevant historical and cultural insights providing a deeper dimension of perspective to the words of the New Testament Discoveries await you that will snap the world of the New Testament into new focus Things that seem mystifying puzzling or obscure will take on tremendous meaning when you view them in their ancient context With the Zondervan Illustrated Bible Backgrounds Commentary you ll Deepen your understanding of the teachings of Jesus Discover the close interplay between God s kingdom and the practical affairs of the church Learn more about the real life setting of the Old Testament writings to help you identify with the people and circumstances described in Scripture Gain a deeper awareness of the Bible s relevance for your life In this volume detailed exegetical notes are combined with background information of the cultural settings that will help you interpret the writings of the first three synoptic gospels Matthew Mark and Luke THE ZONDERVAN ILLUSTRATED BIBLE BACKGROUNDS COMMENTARY SERIES Invites you to enter the world of the New Testament with a company of seasoned guides experts who will help you understand or teach the biblical text more accurately Features Commentary based on relevant papyri inscriptions archaeological discoveries and studies of Judaism Roman culture Hellenism and other features of the world of the New Testament Hundreds of full color photographs color illustrations and line drawings Copious maps charts and timelines Sidebar articles and insights Reflections on the Bible s relevance for 21st century living Bulletin of the Public Library of the City of Boston Boston Public Library,1902 **1 Peter** Craig S. Keener,2021-06-15 Leading New Testament scholar Craig Keener one of the most trusted exegetes working today is widely respected for his thorough research sound judgments and knowledge of ancient sources His four volume magnum opus on Acts has received high praise from all quarters This commentary on 1 Peter features Keener s meticulous and comprehensive research and offers a wealth of fresh insights It will benefit students pastors and church leaders alike **The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church** Cletus L. Hull III,2018-10-18 The cross of Christ crucified symbolized the central theme of Paul s ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1 18 NRSV The proposal for this paper utilizes the method analogia scripturae Set within the wisdom

motif of the Greco Roman world this study is dedicated to the examination of the apostle's Christology in the context of 1 Cor 1 18 25 and the pneumatology in 1 Cor 2 9 16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle's pneumatological contribution of the cross and Christ crucified 1 Cor 1 18 2 2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture

The Covenants of Promise Thomas E. McComiskey, 2019-11-11 This fresh assessment of covenant theology may represent the first book length examination of the structural relationships of the Old Testament covenants Tremper Longman a professor of Old Testament at Westminster Theological Seminary describes The Covenants of Promise as a marvelously written and profound book which deals with some of the most crucial issues in biblical theology The significance of The Covenants of Promise writes the author is in its application of the structure of the covenants to biblical theology The division of the Old Testament covenants into the categories promissory and administrative is unique in the literature on the covenants This complex bi covenantal structure within which God disposes of the inheritance promised to his people becomes discernible in the biblical text through a sound application of proper exegetical theology The textual evidence leads one to question the way some tenets of traditional covenant theology have been expressed but not the tenets themselves The author first explores the promise in its Old and New Testament settings He deals with the way in which the promise is expressed in the major covenants devoting considerable space to the law in the teachings of Jesus and Paul Next he argues that the promise covenant is eternally valid and that circumcision the law and the new covenant are administrative covenants Finally he examines the implications of this structure for biblical theology Selected topics are the redemptive relationship between Father and Son the covenant of works law and grace and the relationship between the testaments
