ABUSE When I give everything to a man and do everything he wants why do I end up getting pushed around demeaned and cheated on When my boyfriend loses his temper cuts me down in anger later says he's sorry and didn't mean what he said should I accept his apologies when he keeps doing it again Why does a man from a loving healthy and giving family background keep getting into relationships with women who turn out to be exploitive even turning abusive when they don't get their way After two abusive wives is it just a matter of time before I get over my hurt and general anger at women

AFFAIRS To regain my trust should my husband be completely honest and describe the sexual details of his affair so we can get through this unhappiness and start moving on Is it the wife's fault when her husband has an affair and how does the couple recover the marriage How am I ever going to get beyond superficial relationships with women after my fiancé whom I love more than ever broke off our engagement by having an affair When your wife comes back from a high school reunion having had a fling not sexual with an old flame what needs to happen to make the marriage okay

ATTRACTION Why would a stunning dynamic confident and high salaried woman put off the kind of men she wants to meet and attract the kind she doesn't Although I would never cheat on someone I was involved with and still care about do you think it's okay to date her best friend now that I've broken up with my ex When the woman I'm ready to marry says she wants a man who can offer her everything from A to Z and some undefinable Z is lacking in me what is missing in my attractiveness to her What should I do about a man I first met on the internet who without asking me is now planning a future for us a guy it turns out I don't really know who doesn't really know me

BREAKING UP Since my girlfriend has broken up with me and I don't know why is it worthwhile my finding out or is it better to avoid further hurt and just let the relationship go How do you break up without causing the other person a lot pain and then go from being romantic to just being good friends Why is breaking up so hard to do and why would a man act so angry when he is really feeling hurt How do I recover my self respect and remove a man from my life who convinced

me I was crazy to doubt his word when he kept lying to me and who won't let me go now that I've broken off with him
