**Relationships** Anita L. Vangelisti, Harry T. Reis, Mary Anne Fitzpatrick, 2002-04-01 Understanding interpersonal relationships requires understanding actors behaviors and contexts This 2002 volume presents research from a variety of disciplines that examine personal relationships on all three levels The first section focuses on the factors that influence individuals to enter maintain and dissolve relationships The second section emphasizes ongoing processes that characterize relationships and focuses on issues such as arguing and sacrificing The third and final section demonstrates that the process of stability and change are embedded in social cultural and historical contexts Chapters address cultural universals as well as cross cultural differences in relationship behaviors and outcomes The emergence of relational forms such as the interaction between people and computers is also explored Stability and Change in Relationships will be of interest to a broad range of fields including psychology sociology communications gerontology and counselling      Understanding Love and

Responsibility: a guide to the best-selling novel by Richard A. Spinello Richard A. Spinello, 2019-01-21 Based on the new English translation of Love and Responsibility this guide will help you discover the beauty of human relationships and our God given need for love In his preface Dr Richard Spinello states Quite simply Love and Responsibility is not an easy book to read Karol Wojtyla s classic work is even more relevant today but the language is often high and theoretical Based on the new English translation of Love and Responsibility Dr Spinello s thoughtful commentary will enable you to discover the beauty of Saint John Paul II s timeless work and through it the magnificence of human relationships and our God given need to give and receive love      **The Psychology of Interpersonal Trust** Ken J. Rotenberg, 2019-07-25 Trust is a crucial facet of

social functioning that feeds into our relationships with individuals groups and organizations The Psychology of Interpersonal Trust Theory and Research examines existing theories frameworks and models of trust as well as the methods and designs for examining it To fully examine how interpersonal trust impacts our lives Rotenberg reviews the many essential topics trust relates to including close relationships trust games behavioural trust and trust development Designed to encourage researchers to recognize the links between different approaches to trust this book begins with an overview of the different approaches to interpersonal trust and a description of the methods used to investigate it Following on from this each chapter introduces a new subtopic or context including lying adjustment socialization social media politics and health Each subtopic begins with a short monologue to provide a personal perspective and covers basic theory and research Rotenberg s applied focus demonstrates the relevance of interpersonal trust and highlights the issues and problems people face in contemporary

society This is essential reading for students researchers and academics in social psychology especially those with a specific interest in the concept of trust *The Arc of Love* Aaron Ben-Ze'ev, 2019-06-11 Is love best when it is fresh For many the answer is a resounding yes The intense experiences that characterize new love are impossible to replicate leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings Aaron Ben Ze ev takes these experiences seriously but he s also here to remind us of the benefits of profound love an emotion that can only develop with time In *The Arc of Love* he provides an in depth philosophical account of the experiences that arise in early intense love sexual passion novelty change as well as the benefits of cultivating long term profound love stability development calmness Ben Ze ev analyzes the core of emotions many experience in early love and the challenges they encounter and he offers pointers for weathering these challenges Deploying the rigorous analysis of a philosopher but writing clearly and in an often humorous style with an eye to lived experience he takes on topics like compromise commitment polyamory choosing a partner online dating and when to say I love you Ultimately Ben Ze ev assures us while love is indeed best when fresh if we tend to it carefully it can become more delicious and nourishing even as time marches on **Intimate Relationships and Social Change** Christina L.
