Romantic Literature:

Revolutions in Romantic Literature Paul Keen, 2004-03-11 This concise Broadview anthology of primary source materials is unique in its focus on Romantic literature and the ways in which the period itself was characterized by wide ranging self conscious debates about the meaning of literature It includes materials that are not available in other Romantic literature anthologies The anthology is organized into thirteen sections that highlight the intensity and sophistication with which a variety of related literary issues were debated in the Romantic period These debates posed fundamental questions about the very nature of literature as a cultural phenomenon the extent and role of the reading public literature's relation to the sciences and the aesthetic the influence of contemporary commercial pressures and the impact of perceived excesses in consumer fashions The anthology foregrounds the ways that these literary debates converged with broader social and political controversies such as the French Revolution the struggle for women's rights colonialism and the anti slave trade campaign This anthology includes an impressive range of writings from the period including literary criticism and philosophical political scientific and travel writing which embodies the collection's broad approach to Romantic literature Both lesser known and more canonical writings are included and the selections are organized by topic in such a way as to dramatize the debates and exchanges which characterize the Romantic period *The Encyclopedia of Romantic Literature, 3 Volume Set* Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities [Romantic Literature and Postcolonial Studies](#) Elizabeth A Bohls, 2013-01-22 This book examines the relationship between Romantic writing and the rapidly expanding British Empire **Key Concepts in Romantic Literature** Jane Moore, John Strachan, 2010-09-10 Key Concepts in Romantic Literature is an accessible and easy to use scholarly guide to the literature criticism and history of the culturally rich and politically turbulent Romantic era 1789 1832 The book offers a comprehensive and critically up to date account of the fascinating poetry novels and drama which characterized the Romantic period alongside an historically informed account of the important social political and aesthetic contexts which shaped that body of writing The epochal poetry of William Wordsworth William Blake Mary Robinson S T Coleridge Charlotte Smith P B Shelley Lord Byron John Keats Felicia Hemans and Letitia Elizabeth Landon the drama of Joanna Baillie and Charles Robert Maturin the novels of Jane Austen and Mary Shelley all of these figures and many more are

insightfully discussed here together with clear and helpful accounts of the key contexts of the age's literature including the French Revolution slavery industrialisation empire and the rise of feminism as well as accounts of perhaps less familiar aspects of late Georgian culture such as visionary spirituality atheism gambling fashion music and sport This is the broadest guide available to late eighteenth and early 19th century British and Irish literature history and culture **Romantic Literature in Light of Bakhtin** Walter L. Reed, 2014-02-27 Literature and literary criticism throughout the twentieth century are famous for their proclamations of the death of the author the eclipse of character and the nothingness of personality as Borges put it Walter Reed investigates the ideas of personhood developed by one of the most influential literary theorists of the last century Mikhail Bakhtin He finds in Bakhtin a personalism based on the idea of an ongoing dialogue between authors and their heroes in imaginative literature Such a model of inter personality Reed argues allows us to appreciate the rich possibilities of personhood set forth in the earlier nineteenth century period of Romanticism Elaborating a new general theory and providing close readings of classic works of Romantic poetry and fiction **Romantic Literature in Light of Bakhtin** offers a better understanding of the preoccupation with the individual creative self that lay at the heart of this revolutionary literature that still speaks to readers today **A History of Romantic Literature** Frederick Burwick, 2019-08-19 Historical Narrative Offers Introduction to Romanticism by Placing Key Figures in Overall Social Context Going beyond the general literary survey **A History of Romantic Literature** examines the literatures of sensibility and intensity as well as the aesthetic dimensions of horror and terror sublimity and ecstasy by providing a richly integrated account of shared themes interests innovations rivalries and disputes among the writers of the late eighteenth and early nineteenth centuries Drawing from the assemblage theory Prof Burwick maintains that the literature of the period is inseparable from prevailing economic conditions and ongoing political and religious turmoil as well as developments in physics astronomy music and art Thus rather than deal with authors as if they worked in isolation from society he identifies and describes their interactions with their communities and with one another as well as their responses to current events By connecting seemingly scattered and random events such as the bank crisis of 1825 he weaves the coincidental into a coherent narrative of the networking that informed the rise and progress of Romanticism Notable features of the book include A strong narrative structure divided into four major chronological periods Revolution 1789 1798 Napoleonic Wars 1799 1815 Riots 1815 1820 Reform 1821 1832 Thorough coverage of major and minor figures and institutions of the Romantic movement including Mary Wollstonecraft Elizabeth Montague and the Bluestockings Lord Byron John Keats Letitia Elizabeth Landon etc Emphasis on the influence of social networks among authors such as informal dinners and teas clubs salons and more formal institutions With its extensive coverage and insightful analysis set within a lively historical narrative **History of Romantic Literature** is highly recommended for courses on British Romanticism at both undergraduate and post graduate levels It will also prove a highly useful reference for advanced scholars pursuing their own research Assembly

and its Other in German Romantic Literature and Thought Robert E. Mottram, Christopher R. Clason, 2022-10-15 This collection of essays turns on a shift in Romantic studies from viewing wholeness as an absolute value to critiquing it as a limiting construction Wholeness and its concomitant sense of harmony rather than a natural given is a construct that was assembled and disassembled theorized and criticized by diverse authors and artists in a wide variety of disciplines and socio historical contexts and instrumentalized for diverse purposes The plurality of these constructions that Goethe's *Urpflanze* for example is not synonymous with Friedrich Schlegel's universal progressive poetry is but one manifestation of how assembly strives but fails to be absolute The other of assembly referenced in the title suggests two divergent but inseparable tendencies firstly how a construction can take on the appearance of a natural given and secondly how assemblages of wholeness harbor within themselves their own principle of disarticulation These two tendencies underlie the inexhaustible character of Romantic gatherings As a construction passes itself off as nature the natural fails to account for itself as a whole The scope of this volume encompasses the establishment mapping and interrogation of assembly and its other in German Romanticism through interdisciplinary studies on literature aesthetics philosophy drama music synaesthesia mathematics science and exploration List of contributors Beate Allert Frederick Burwick Alexis B Smith Margaret Strair Christina Weiler Joshua Wilner

The Cambridge History of European Romantic Literature Patrick Vincent, 2023-11-09 This wide ranging new history of European Romantic Literature presents a pan European phenomenon which transcended national borders and contributed to a new sense of European cultural identity across the continent Conceived in the same spirit as Madame de Staël's cultural and political agenda at a time when her generous idea of Europe is being challenged on all sides the volume pays close attention to the period's circulation of people ideas and texts It proposes to rethink the period comparatively focusing on various forms of cultural mediation and transfer and on productive tensions synchronicities and interactions within and across borders Organized chronologically its twenty chapters address over five hundred works proposing a coherent historical narrative without completely erasing individual nations specificities By showcasing in particular the place of Britain within continental culture the volume hopes to reactivate critical examinations of Romanticism from a historicised European perspective

Romantic Literature and the Colonised World Nikki Hessel, 2018-02-15 This book considers indigenous language translations of Romantic texts in the British colonies It argues that these translations uncover a latent discourse around colonisation in the original English texts Focusing on poems by William Wordsworth John Keats Felicia Hemans and Robert Burns and on Walter Scott's *Ivanhoe* it provides the first scholarly insight into the reception of major Romantic authors in indigenous languages and makes a major contribution to the study of global Romanticism and its colonial heritage The book demonstrates the ways in which colonial controversies around prayer song hospitality naming mapping architecture and medicine are drawn out by translators to make connections between Romantic literature its preoccupations and debates in the nineteenth and early twentieth century colonial worlds

Blasphemy and

Politics in Romantic Literature Paul Whickman, 2020-06-06 This book argues for the importance of blasphemy in shaping the literature and readership of Percy Bysshe Shelley and of the Romantic period more broadly Not only are perceptions of blasphemy taken to be inextricable from politics this book also argues for blasphemous irreverence as both inspiring and necessitating new poetic creativity The book reveals the intersection of blasphemy censorship and literary property throughout the Long Eighteenth Century attesting to the effect of this connection on Shelley s poetry more specifically Paul Whickman notes how Shelley s perceived blasphemy determined the nature and readership of his published works through censorship and literary piracy Simultaneously Whickman crucially shows that aesthetics content and the printed form of the physical text are interconnected and that Shelley s political and philosophical views manifest themselves in his writing both formally and thematically

Physical Disability in British Romantic Literature Essaka Joshua, 2020-11-12 This book provides new period appropriate concepts for understanding Romantic era physical disability through function and aesthetics

Romantic Literature, Race, and Colonial Encounter P. Kitson, 2016-04-30 In a fresh investigation of primary sources and original readings Kitson traces the origins of contemporary ideas about race through a variety of late Eighteenth and early Nineteenth century literary texts by Coleridge Byron Shelley De Quincey and other published and unpublished writings about travel and exploration and natural history

The Politics of Language in Romantic Literature Richard Marggraf Turley, 2002-12-11 This innovative study examines a range of canonical and non canonical materials to open a new narrative on the mutually illuminating interchange between Romantic literature and philological theory in the late eighteenth and early nineteenth centuries Arguing that philology can no longer be treated as something that did not happen to Romantic authors this book undertakes a substantial revision of our understanding of the intellectual and political contexts that helped determine the Romantic consciousness

British Romantic Literature and the Emerging Modern Greek Nation Alexander Grammatikos, 2018-05-24 British Romantic Literature and the Emerging Modern Greek Nation makes an original contribution to the field of British Romantic Hellenism and Romanticism more broadly by emphasizing the diversity of Romantic era writers attitudes towards and portrayals of Modern Greece Whereas traditionally studies of British Romantic Hellenism have predominantly focused on Europe s preoccupation with an idealized Ancient Greece this study emphasizes the nuanced and complex nature of British Romantic writers engagements with Modern Greece Specifically the book emphasizes the ways that early nineteenth century British literature about contemporary Greece helped to strengthen British Greek intercultural relations and ultimately to situate Greece within a European sphere of influence
