# Rome Of The Caesars

**Leonardo B. Dal Maso**

## Rome Of The Caesars:

**Rome of the Caesars** Leonardo B. Dal Maso,1980      **Rome of the Caesars** Thomas W. Africa,1965      *The Caesars* Thomas De Quincey,2021-05 This book has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable      **THE 12 CAESARS** Suetonius,2023-12-26 In *The Twelve Caesars* Suetonius a Roman biographer and historian meticulously chronicles the lives and reigns of the first twelve emperors of Rome from Julius Caesar to Domitian Through a unique blend of anecdotal narrative and factual history Suetonius employs a vivid literary style characterized by rich detail and an engaging tone revealing not only the political machinations of these rulers but also the personal traits that defined them The work is framed within the context of the early Roman Empire providing valuable insights into the socio political atmosphere of the time and addressing themes such as power ambition and human frailty making it a pivotal source for understanding the complexities of imperial governance and personal character in ancient Rome Suetonius born circa 69 AD was deeply entrenched in the milieu of Roman politics and literature gaining firsthand experience through his work in the imperial administration and as a contemporary of the emperors he depicts His access to a wide array of sources including state documents and rumors circulating in Roman society enabled him to present a multifaceted portrait of each Caesar This biography not only reflects Suetonius s fascination with the powerful but also reveals the societal fascination with celebrity culture drawing parallels to the intersection of personal life and public duty Recommended for historians classicists and general readers alike *The Twelve Caesars* offers a compelling exploration of power and personality that resonates through the ages Suetonius s insightful anecdotes and unflinching examination of imperial figures provide a riveting glimpse into the human psyche behind rule making this work an essential read for anyone seeking to understand the foundations of imperial Rome and its enduring legacy      *Fighting for Rome* John Henderson,1998-03-12 The essays in *Fighting for Rome* confront the traumatic disjunction between the militarist culture of classical Rome with its heavy investment in valour conquest and triumph and the domination of its history by civil war where Roman soldiers killed so many Romans for control of Rome The essays gathered and rewritten here range across the literary forms history satire lyric and epic and work closely with the ancient texts Appian and Julius Caesar Horace Lucan and Statius Tacitus and Livy Close reading and powerful translation communicate the ancient writers efforts to grasp and respond to the Roman civil wars and to their product Roman terror under the Caesars The book aims to bring to life strong reactions to a world order run by civil war      **THE TWELVE CAESARS - Suetonius** Suetonius,2024-02-10 Written by the great Roman historian Suetonius in the year 121 *The Twelve Caesars* is an extremely important historical document and one of the main sources of knowledge about Roman history In this magnificent work which covers the period from the rise to the

fall of the Roman Empire we get to know the intimacy of the life of each of the twelve Caesars their ancestors their military campaigns the events that led them to power and death as well as the character and personality of each of them Beyond historical facts Suetonius managed to portray the human character of the 12 Caesars in an environment characterized by unlimited power violence and the debauchery and luxury of the emperors in ancient Rome It is an exceptional work that deserves to be read *The Lives of the Caesars* Suetonius,2025-04-29 A masterful new translation of Suetonius renowned biography of the twelve Caesars bringing to life a portrait of the first Roman emperors in stunning detail A Penguin Classic The ancient Roman empire was the supreme arena where emperors had no choice but to fight to thrill to dazzle To rule as a Caesar was to stand as an actor upon the great stage of the world No biographies invite us into the lives of the Caesars more vividly or intimately than those by Gaius Suetonius Tranquillus written from the center of Rome and power in the early 2nd century AD By placing each Caesar in the context of the generations that had gone before and connecting personality with policy Suetonius succeeded in painting Rome s ultimate portraits of power The shortfalls foreign policy crises and sex scandals of the emperors are laid bare we are shown their tastes their foibles their eccentricities we sit at their tables and enter their bedrooms The result is perhaps the most influential series of biographies ever written That Rome lives more vividly in people s imagination than any other ancient empire owes an inordinate amount to Suetonius Now award winning author and translator Tom Holland brings us even closer in a new spellbinding translation Giving a deeper understanding of the personal lives of Rome s first emperors and of how they swayed the fates of millions *The Lives of the Caesars* is an astonishing immersive experience of a time and culture at once familiar and utterly alien to our own **Lives of the Twelve Caesars** Suetonius,1997 This text by Suetonius a Latin biographer is a major source for the period from Julius Caesar to Domitian It sets out a great range of aspects illuminating the emperors characters their habits from table to bedchamber their intrigues loves and their deaths Ten Caesars Barry Strauss,2019-03-05 Bestselling classical historian Barry Strauss delivers an exceptionally accessible history of the Roman Empire much of *Ten Caesars* reads like a script for *Game of Thrones* The Wall Street Journal a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors from Augustus to Constantine In this essential and enlightening The New York Times Book Review work Barry Strauss tells the story of the Roman Empire from rise to reinvention from Augustus who founded the empire to Constantine who made it Christian and moved the capital east to Constantinople During these centuries Rome gained in splendor and territory then lost both By the fourth century the time of Constantine the Roman Empire had changed so dramatically in geography ethnicity religion and culture that it would have been virtually unrecognizable to Augustus Rome s legacy remains today in so many ways from language law and architecture to the seat of the Roman Catholic Church Strauss examines this enduring heritage through the lives of the men who shaped it Augustus Tiberius Nero Vespasian Trajan Hadrian Marcus Aurelius Septimius Severus Diocletian and Constantine Over the ages they learned to maintain the

family business the government of an empire by adapting when necessary and always persevering no matter the cost Ten Caesars is a captivating narrative that breathes new life into a host of transformative figures Publishers Weekly This superb summation of four centuries of Roman history a masterpiece of compression confirms Barry Strauss as the foremost academic classicist writing for the general reader today The Wall Street Journal *The Twelve Caesars* Suetonius,2018-05-15 The Twelve Caesars is a set of twelve biographies of Julius Caesar and the first 11 emperors of the Roman Empire written by Gaius Suetonius Tranquillus The book provides valuable information on the heritage personal habits physical appearance lives and political careers of the first Roman emperors as it mentions details which other sources do not As with many of his contemporaries Suetonius took omens seriously and carefully includes reports of omens portending Imperial births accessions and deaths The Twelve Caesars was considered very significant in antiquity and remains a primary source on Roman history The book discusses the significant and critical period of the Principate from the end of the Republic to the reign of Domitian **The Lives of the Twelve Caesars** Suetonius,1911 [The Twelve Caesars](#) Matthew Dennison,2013-06-25 A retelling of the lives and times of the Roman emperors traces how their reigns marked Rome s shift from a republic to an influential empire offering a sequence of biographies that offers insight into the political and social dynamics of each ruler s time **The Lives of the Twelve Caesars** Suetonius,1909 **Blood of the Caesars** Stephen Dando-Collins,2008-02-01 Could the killing of Germanicus Julius Caesar the grandson of Mark Antony adopted son of the emperor Tiberius father of Caligula and grandfather of Nero while the Roman Empire was still in its infancy have been the root cause of the empire s collapse more than four centuries later This brilliant investigation of Germanicus Caesar s death and its aftermath is both a compelling history and first class murder mystery with a plot twist Agatha Christie would envy *Society in Rome Under the Caesars* William Ralph Inge,1888 [The Twelve Caesars](#) Suetonius,2019-08-26 Written by Gaius Suetonius Tranquillus in 121 AD while he was the personal secretary to emperor Hadrian The Twelve Caesars is a series of twelve biographies of Roman rulers beginning with Julius Caesar and ending with Domitian The tales of Rome s emperors are deeply personal and informative while also entertaining and often filled with drama Suetonius included invaluable descriptions of the rulers public and private lives physical appearances family heritages and daily personal habits The Twelve Caesars is the primary source for many of the most famous and enduring tales of ancient Rome from Julius Caesar s revenge on the pirates that kidnapped him to the excesses and scandal of Caligula to the drama of Nero s rule and finally to the end of the Flavian empire The biographies have been viewed since antiquity as a very significant account of the critical era in Roman history known as the Principate period which begins with the end of Republic continues through the violent unrest and civil war of Nero s rule and is followed by the restoration of order afterwards Fascinating and engrossing The Twelve Caesars remains one of the most important historical bibliographical works of the Roman Empire This edition is printed on premium acid free paper *The Tragedy of the Caesars* Sabine Baring-Gould,1907 **Lives of the Caesars**

Suetonius, 2008-10-09 The Lives of the Caesars include the biographies of Julius Caesar and the eleven subsequent emperors Augustus Tiberius Gaius Caligula Claudius Nero Galba Otho Vitellius Vespasian Titus Domitian Suetonius composed his material from a variety of sources without much concern for their reliability His biographies consist the ancestry and career of each emperor in turn however his interest is not so much analytical or historical but anecdotal and salacious which gives rise to a lively and provocative succession of portraits The account of Julius Caesar does not simply mention his crossing of the Rubicon and his assassination but draws attention to his dark piercing eyes and attempts to conceal his baldness The Life of Caligula presents a vivid picture of the emperor s grotesque appearance his waywardness and his insane cruelties The format and style of Suetonius Lives of the Caesars was to set the tone for biography throughout western literature his work remains thoroughly readable and full of interest ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more The Lives of the Twelve Caesars, the First Emperors of Rome Suetonius, 1692 **The Lives of the Twelve Caesars**

Suetonius, 2016-11-16 The Lives of the Twelve Caesars by 2nd Century Roman historian Gaius Suetonius Tranquillus is the key primary source of biographical information for the first twelve rulers of ancient Rome emperors Julius Caesar Augustus Tiberius Caligula Claudius Nero Galba Otho Vitellius Vespasian Titus and Domitian
