Masterworks of the Orchestral Repertoire Donald N. Ferguson, 1968-03-04 Masterworks of the Orchestral Repertoire was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The fullest enjoyment of an orchestral performance or a record concert comes with a background of knowledge about the music itself This handbook is designed to help music lovers get the ultimate pleasure from their listening by providing them with that background about a large portion of the orchestral repertoire Professor Ferguson analyzes and interprets the most important classical symphonies overtures and concertos as well as selected orchestral works of modern composers He goes beyond a conventional analysis of structure since he believes with a majority of the music loving public that great music is actually a communication that it expresses significant emotions The great composers on their own testimony have striven not merely to create perfect forms but to interpret human experience Mingled with the analyses then the reader will find comments on the expressive purport of the music For twenty five years Professor Ferguson has supplied the program notes for the subscription concerts of the Minneapolis Symphony Orchestra

and this volume is an outgrowth of that activity In preparing the material for book publication however he studied the musical compositions anew and the resulting chapters provide a much deeper exploration of the musical subjects than did the program notes The themes of important works are illustrated by musical notations and a brief glossary explains technical terms

performed on stage often many times with Berlioz Mendelssohn Chopin Liszt Wagner Alkan Clara Schumann and Joachim It is a sign of his importance that in 1863 Brahms gave two public performances in Vienna of his own and Ernst's music to raise money for the now mortally ill violinist Berlioz described Ernst as one of the artists whom I love the most and with whose talent I am most sympathetic while Joachim was in no doubt that Ernst was the greatest violinist I ever heard he towered above the others Many felt that he surpassed the expressive and technical achievements of Paganini but Ernst unlike his great predecessor was also a tireless champion of public chamber music and did more than any other early nineteenth century violinist to make Beethoven's late quartets widely known and appreciated Ernst was not only a great virtuoso but also an accomplished composer He wrote two of the most popular pieces of the nineteenth century the Elegy and the Carnival of Venice and he is best known today for two solo pieces which represent the ne plus ultra of technical difficulty the transcription of Schubert's Erlking and the sixth of his Polyphonic Studies the variations on The Last Rose of Summer Perhaps he made his greatest contribution to music through his influence on Liszt's outstanding masterpiece the B minor piano sonata In 1849 Liszt conducted Ernst playing his own Concerto Pathétique a substantial single movement work in altered sonata form using thematic transformation Soon after this performance Liszt wrote his Grosses Konzertsolo 1849-50 his first extended single movement work using altered sonata form and thematic transformation This is now universally acknowledged to be the immediate forerunner of the sonata which refines and develops all these techniques Liszt made his debt clear when three years after completing *First Musical Festival at Chicago, May 23d, 24th, 25th, and 26th, 1882* Chicago Musical Festival Association, 1882 *New York Magazine*, 1982-09-13 *New York Magazine* was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Encyclopaedic Dictionary of Music** Hugo Riemann, 1908 *Musical Courier and Review of Recorded Music*, 1913 *New York Musical Review and Choral Advocate*, 1864 *Index to Record and Tape Reviews*, 1982 **Biennial Music Festival at Cincinnati**, 1890
