Romes Desert Frontiers David Kennedy, Derrick Riley, 2012-10-12 Over 100 archaeological sites lying within the desert area of Rome's eastern frontier are examined with accompanying maps plans and air photographs Designed to provide an overview of Roman military works in the Middle East this work is intended to appeal to archaeologists and military historians

Reframing the "Desert Frontier" Rebecca Repper, M.C. Bishop, Dr Robert Bewley, 2025-03-01 The eastern frontier of the Roman Empire its network of roads trade routes towns and forts is often conceived of as an edge of both empire and civilisation but this borderland is also part of a rich cultural landscape Our awareness and appreciation of these cultures has increased dramatically over the course of the last century Scholarship has deepened methods have advanced and perspectives have shifted Across 20 chapters *Reframing the Desert Frontier* offers new insights into the rich cultural history of this region through the re-examination of existing material such as archives historical accounts and previous surveys and through the use of novel archaeological approaches The bringing together of different methodological approaches to the archaeology of the region in a single volume highlights synergies and offers important comparisons for archaeologists to consider This volume highlights the work of Emeritus Professor David Kennedy whose contribution to the study of the Roman army the archaeology of Jordan and aerial archaeology has inspired and enhanced multiple projects that have reframed this so-called desert frontier *Reframing the Desert Frontier* encapsulates the enriched view of this ancient region generated by new techniques of survey and analysis changed perspectives on older materials a more intense engagement with the rural landscapes surrounding ancient towns and the addition of new discoveries that alter previous consensus

Between Rome and Persia Peter Edwell, 2007-12 This detailed history of Rome's relationship with its Persian neighbour from Peter Edwell takes an innovative regional approach and covers the period from the first century BC to the third century AD

Rome, the Greek World, and the East Fergus Millar, 2011-05-01 This volume completes the three-volume collection of Fergus Millar's essays which together with his books transformed the study of the Roman Empire by shifting the focus of inquiry onto the broader Mediterranean world and beyond The eighteen essays presented here include Millar's classic contributions to our understanding of the impact of Rome on the peoples cultures and religions of the eastern Mediterranean and the extent to which Graeco-Roman culture acted as a vehicle for the self-expression of the indigenous cultures In an epilogue written to conclude the collection Millar argues for rethinking the focus of ancient history itself and for considering the Levant and the eastern Mediterranean from the first millennium BC to the Islamic conquests a valid scholarly framework and an appropriate educational syllabus for the study of antiquity English translations of extended ancient passages in Greek Latin and Semitic

languages in all the essays make Millar's most important articles accessible for the first time to specialists and nonspecialists alike

Trajan Julian Bennett, 2003-09-02 Did Trajan really deserve his reputation as the embodiment of all imperial virtues Why did Dante writing in the Middle Ages place him in the sixth sphere of Heaven among the Just and Temperate rulers In this the only biography of Trajan available in English Julian Bennett rigorously tests the substance of this glorious reputation Surprisingly for a Roman emperor Trajan comes through the test with his reputation relatively intact *Between Empires* Greg Fisher, 2011-04-14 An examination of the complex inter relationships between the Roman and Sasanid Empires and some of their Arab allies and neighbours during the last century before the emergence of Islam Greg Fisher stresses the importance of a Near East dominated by Rome and Iran for the formation of early concepts of Arab identity The Function of the Roman Army in Southern Arabia Petraea Mariana Castro, 2018-11-29 This volume provides a fresh perspective on the evolving and diverse functions of the Roman army in Arabia from the creation of the province to the end of the Byzantine period A Companion to the Roman Army Paul Erdkamp, 2010-12-13 This companion provides an extensive account of the Roman army exploring its role in Roman politics and society as well as the reasons for its effectiveness as a fighting force An extensive account of the Roman army from its beginnings to its transformation in the later Roman Empire Examines the army as a military machine its recruitment training organization tactics and weaponry Explores the relationship of the army to Roman politics economics and society more broadly Considers the geography and climate of the lands in which the Romans fought Each chapter is written by a leading expert in a particular subfield and takes account of the latest scholarly and archaeological research in that area *The Monetary Systems of the Greeks and Romans* W. V. Harris, 2008-02-14 This collection of new essays presents a set of debates about what money was in antiquity and how it functioned The focus is mainly on the Greeks who were not the original inventors of coinage but were responsible for its widespread adoption and on the Roman Empire which developed one of the most complex of known pre modern economies

The Near East under Roman Rule B.H. Isaac, 2018-07-17 The studies in this collection deal with a variety of subjects Their focus is the Roman Empire in the East the Roman army Judaea in the Roman period and Jewish history Inscriptions are published in them and literary sources discussed First Judaea in the period before the arrival of the Romans as well as under Roman rule forms the centre of attention Here articles on specific documents are presented and historical problems discussed ranging from the Seleucid period to the Later Roman Empire The second part of the book contains studies of the wider area and the third part is concerned with the Roman army its organisation and aims in the Frontier areas Many of these papers are hard to find and it is particularly valuable to have all of them together and logically arranged in one volume Moreover extensive discussions of recent publications and newly published material have been added here
