**Ron Carter's Comprehensive Bass Method** Ron Carter, 2021-10-15 This is the centerpiece of the Ron Carter Library He refers to it as THE book when talking to his students While other bass lesson books teach you arco techniques and how to audition for a classical orchestra this book is completely different It shows you how the bass functions and the hand positions and locations on the instrument so you can find those beautiful notes too And it has QR codes that link to video demos so you can watch the Maestro play the exercises himself With this book you can do what Carter does every night Play rhythm changes all the time make wonderful blues choruses or in the Maestro s case play Little Waltz for 25 years And have it be new and fresh every time
