Room Called Remember Uncollected Pieces:

A Room Called Remember Frederick Buechner, 2009-10-13 A Room Called Remember brings together some of Buechner's finest writings on faith love and the power of words in the form of essays addresses and sermons Here Buechner explores autobiography as theology offers exhilarating reflections on biblical passages and leads us into the room called Remember that still room within us all where the past lives on as part of the present where with patience with clarity with quietness of heart we remember consciously to remember the lives we have lived Restoring Life's Missing Pieces Caren Goldman, 2011 A powerful and thought provoking look at reunions of all kinds as roads to remembering and re membering ourselves Reunions with people places things and ourselves happen every day around us and within us Whether to participate or not will always be your choice from the Introduction Explore humankind's timeless universal and deeply spiritual desire to reunite for the sake of healing and wholeness Whether we wander far from home or reminisce from our favorite armchair people of all faiths or none whatsoever undertake journeys to remember restore and re member the missing pieces of our stories psyches and souls Do you occasionally Google a person from your past in hopes of catching up Do you leaf through old address books to try to call someone for the first time in decades When you visit gravesites or memorials can you pinpoint what drew you there Have you felt an urge to revisit your birthplace or travel to your ancestors homelands Do you feel compelled to attend an upcoming high school family or other reunion If not why not Delve deeply into ways that your body mind and spirit answer the Spirit of Re union's calls to reconnect with people places things and self

21st Century Pastor David C. Fisher, 2010-08-03 The third millennium It's a time of tremendous opportunity for the church and tremendous challenge More than ever pastors need a model for ministry that can equip them for the rigors of a restless increasingly secularized culture In the 21st Century Pastor David Fisher explores the apostle Paul's concept of ministry to offer a paradigm that is both biblical and relevant Paul's view is fleshed out with examples from Fisher's own twenty five years of pastoral experience presenting a roadmap for today's pastor that is scholarly practical dynamic and inspiring The 21st Century Pastor first addressees crucial issues of pastoral identity the significance of geography time and ecclesiology It then explores Paul's metaphors for ministry jars of clay farmers and builders servants and stewards and others to reveal an accurate portrait of an effective biblical pastor the kind who will speak to the heart of modern culture rather than languish on its fringes Filling the rare role of a pastor to pastors Fisher's sage insights help pastors answer their own identity questions empowering them to minister to a deeply needy society Says Fisher Pastors who know what time it is will in the name and power of God create communities of faith where the values of the Gospel are embraced taught and lived out **The Culturally Savvy Christian** Dick Staub, 2008-09-09 In The Culturally Savvy Christian his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless

sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God s image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose lose alternatives of a soul numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God s image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture

Sumwalt,2004 The Bible is filled with stories of shining moments Moses face shone as he came down from the mountain with the ten commandments Jesus face changed and his clothes became dazzling white in a transfiguration witnessed by the disciples Paul was blinded by a light and heard the voice of Christ on the road to Damascus and many modern Christians have had equally life changing experiences of the Lord s power and presence In this third volume of the acclaimed Visions series 60 contributors share their authentic intensely personal accounts of holy experiences Rosmarie Trapp of the Sound of Music family tells of a moment of assurance when the Lord visited me in a bright golden light whose golden glow brought peace to my soul Ralph Milton author of the historical novel Julian s Cell describes a visitation by his late sister We were singing together as we often did as children I don t recall ever having a memory or dream as clear and powerful as that one and it left me with a sense of joy and peace Karen Steinke recounts the warmth she felt at the moment of her baptism I looked up to see the form of Jesus with an overpowering light surrounding him Whether they relate transforming moments like visions healings or visitations by angels joyous moments like being in the presence of a loved one who has died or just the simple sense of God s presence while singing in church or sitting in a sunny meadow on a warm spring day the vignettes

in Shining Moments are a testament to the indescribable comfort and peace of an encounter with the divine And because each story also illustrates a scripture passage Shining Moments is a valuable preaching resource and an excellent catalyst for small group discussion But even more this book provides inspiring and heart warming reading for personal devotion and spiritual growth Praise for other volumes in the Visions series This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side A noted storyteller John E Sumwalt is the pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS Lectionary Stories series Sumwalt leads seminars and retreats on sharing and understanding visions He and his wife Jo Perry Sumwalt also are the editors of the online service StoryShare
