**Cornell
Studies in History and Political Science** ,1907 **Scientific Statesmanship, Governance and the History of
Political Philosophy** Kyriakos N. Demetriou,Antis Loizides,2015-02-11 Over the centuries the question of good or effective
governance has undergone several transformations and ramifications to fit within certain social cultural and historical
contexts What defines political knowledge What is the measure of expert political leadership Various interpretations
perspectives and re conceptualizations emerge as one moves from Plato to the present This edited book explores the
relationship between political expertise which is defined as scientific statesmanship or governance and political leadership
throughout the history of ideas An outstanding group of experts study and analyze the ideas of significant philosophers such
as Plato Aristotle Augustine Machiavelli Hobbes Locke Montesquieu Kant Burke Comte and Weber among others The
contributors aim to interpret these thinkers approaches to scientific statesmanship deepening our understanding of the idea
itself and decoding its theoretical complexities In the face of the ongoing crisis of the traditional party system and the
eroding structures within the new cultural financial and political environment in the era of globalization tracing the

connection between Plato's idealist statesmanship to twentieth century modernist politics is an important and ever challenging enterprise one that promises to interest scholars of the history of western political thought philosophy classics and the classical tradition political science and sociology

Lonergan and the Philosophy of Historical Existence Thomas J. McPartland, 2001 Bernard Lonergan's ambitious study of human knowledge based on his theory of consciousness is among the major achievements of twentieth century philosophy He challenges the principles of contemporary intellectual culture by finding norms and standards not in external perceptions or reified concepts but in the dynamism of consciousness itself

New Directions in Policy History Julian E. Zelizer, 2010-11-01 The History of Political Science from Plato to the Present Robert Henry Murray, 1929 Studies on Ottoman Social and Political History Kemal H. Karpat, 2002 Annotation The 19th century prevails in this anthology on the transformation of the late Ottoman state into modern Turkey Thirty three articles are arranged in three categories the Ottoman socio political transformation the population movements of immigration and migration and the formation of nation states with politico religious identities Karpat history U of Wisconsin has a central aim to counteract what would become bureaucratic Republican attempts by the Turkish Historical Society formerly the Ottoman Historical Society to cut off Turkish history from its Ottoman past The THS was able to do this by instead connecting the Republic with its earlier Central Asian roots and by relying too heavily on European versions of Ottoman Turkish history more unfavorable to things Ottoman Topics include the social and economic transformation of Istanbul in the 19th century Jewish population movements in the Ottoman Empire Ottoman relations with the Balkan nations after 1683 and Romanian independence and the Ottoman state Annotation c Book News Inc Portland OR booknews com

Framing the Nation and Collective Identities Vjeran Pavlaković, Davor Pauković, 2019-05-01 This book analyzes top down and bottom up strategies of framing the nation and collective identities through commemorative practices relating to events from the Second World War and the 1990s Homeland War in Croatia With attention to media representations of commemorative events and opinion poll data it draws on interviews and participant observation at commemorative events to focus on the speeches of political elites together with the speeches of opposition politicians and other social actors such as the Catholic Church anti fascist organizations and war veterans and victims organizations who challenge official narratives Offering innovative approaches to researching and analyzing commemorative practices in post conflict societies this examination of a nation's transition from a Yugoslav republic to an independent state and now the newest member of the European Union constitutes a unique case study for scholars of cultural memory and identity politics interested in the production and representation of national identities in official narratives
