Rosanna's Gift Susan Lantz Simpson, 2019-12-31 In Southern Maryland's serene Amish country one young woman's life is changed by an unexpected request She's yours Until now Rosanna Mast's hopes for the future have all revolved around handsome Henry Zook But when a young English girl places her newborn daughter in Rosanna's arms and utters those words shock quickly turns to fierce protective devotion Between helping her midwife mamm and caring for her own siblings Rosanna has plenty of experience with babies And who wouldn't love a sweet natured boppli like little Mollie Yet

to her dismay Henry has no intention of ever taking on another man's child. Instead, it is steady, thoughtful Paul Hertzler who becomes Rosanna's staunch supporter. Paul knows he should have acted sooner on his feelings for Rosanna. Now, as her dream of adopting Mollie meets unexpected hurdles, he sees a way to help. Rosanna would do anything to keep baby Mollie, perhaps even agree to marriage. But will Rosanna continue to hold him at arm's length, or see that he longs to offer her the love and family she deserves?

A New Vision of Southern Jewish History Mark K. Bauman, 2019-05-14 Winner of the 2023 Southern Jewish Historical Society Book Award. Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history. Mark K. Bauman, one of the foremost scholars of southern Jewish history working today, has spent much of his career as he puts it, rewriting southern Jewish history in ways that its earliest historians could not have envisioned or anticipated, and doing so by specifically targeting themes and trends that might not have been readily apparent to those scholars. *A New Vision of Southern Jewish History: Studies in Institution, Building, Leadership, Interaction, and Mobility* features essays collected from over a forty-year career, including a never-before-published article. The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities. Bauman offers assessments that go far beyond these simplified frameworks and draws upon varieties of subject matter, time periods, locations, tools, and perspectives over three decades of writing and scholarship. *A New Vision of Southern Jewish History* contains Bauman's studies of Jewish urbanization, acculturation, and migration; intra- and inter-group relations; economics and business; government; civic affairs; transnational diplomacy; social services; and gender, all complicating traditional notions of southern Jewish identity. Drawing on role theory as informed by sociology, psychology, demographics, and the nature and dynamics of leadership, Bauman traverses a broad swath, often urban, of the southern landscape from Savannah, Charleston, and Baltimore through Atlanta, New Orleans, Galveston, and beyond the country to Europe and Israel. Bauman's retrospective volume gives readers the opportunity to review a lifetime of work in a single publication, as well as peruse newly penned introductions to his essays. The book also features an Additional Readings section designed to update the historiography in the essays.

Bethulia Thorne Moore, 2022-11-21 Alison Danny Jude. Three girls bound closer than sisters. Nothing can divide them. Until Alison falls for Simon Delaney. Handsome, successful, and ambitious, what woman wouldn't want him? He's surely her perfect husband. So why does she commit suicide? If it is suicide, the police say yes, except for the driven DC Rosanna Quillan. She says no, but she can only watch as Jude and Danny fight for the prize, the widower. How far would either of them go to have him?
