Peter Corrigan, 2008-01-16 It was traditionally said that clothes maketh the man. But what codes and meanings are associated with dress in a society that consists of divisions between class, race, gender, family status, and religion? Is social and cultural life still fundamentally themed by the clothes that we wear? If so, how should we read these codes and themes in order to decipher their relation to power and meaning? This exhaustive book demonstrates how dress shapes and is shaped by social processes and phenomena such as beauty, time, the body, the gift exchange, class, gender, and religion. It does this through an analysis of topics like the Islamic clothing controversy in state schools, the multitude of identities associated with dress, the Dress Reform movement, the construction of the body in fashion magazines, and the role of the internet in fashion. What emerges is a trenchant, sharply observed account of the place of dress in contemporary society. The book will be of interest to students and researchers in Sociology, Cultural Studies, Women's Studies, Gender Studies, Anthropology, and Fashion Studies. Santa's Secret Christy Hardman, Phil Porter, 2008 Of everything to do with Christmas, Phil Porter loves to play Santa Claus the most. When he puts on his Santa suit, something magical happens for the people of his town: he becomes Santa. The only problem is that Andrew, his own son, doesn't know. And Phil doesn't know how to tell him. Phil wants everyone to keep the magic of Christmas for as long as possible, so how can he tell Andrew that he is Santa? Will Andrew lose the special magic of Christmas if he finds out the truth? But if Phil doesn't tell Andrew, how can Phil balance his time being Santa with his time for his family? Will Phil have to miss Andrew's Christmas in order to be Santa? Santa's Secret is the heartfelt story of the importance of family and the truth that being Santa isn't about fame or attention; it's about changing lives and fostering faith and hope.
