Saturday Nights In Marietta:

Saturday Nights in Marietta Robert Bly,1999 Saturday Nights in Marietta Robert Bly,1999 Dick Burdette,2008-11-01 Seventy five years ago the Waterloo Wonders came frolicking out of the Lawrence County hills to become the most colorful most exciting most unforgettable team in the history of Ohio high school basketball Over two seasons they won back to back state championships and in the process perhaps as many as 100 games only a handful of them on their own court In an era when a virtually unknown team called the Harlem Globetrotters was still playing one night stands in small town high school gyms and dance halls across the Middle West the Wonders imitating no one astonished overflow crowds in the states largest arenas with their whirlwind passing deadeye shooting lockdown defense and whimsical showmanship Left handed right handed two handed behind the back between the legs over handed underhanded bowling style sitting down lying down without looking the Wonders passed with such lightning speed such radar accuracy fans and opponents alike often did not know where the ball was Now on the 75h anniversary of their first championship season author Dick Burdette whose book *The Fabulous Waterloo Wonders* was published in 1961 has written a revised and expanded account of their story It is now available exclusively at authorhouse.com or at waterloowonders.com Price 22 95 plus shipping *The Street of the City* Grace Livingston Hill,2015-02-01 When a neighbor becomes sick an elderly woman hails a skater using the frozen river to commute to work Val Willoughby is happy to help the family and alert the daughter Frannie at her job When Frannie Fernley meets Val there is instant attraction but they are from different walks of life Then when the local weapons plant is threatened both Val and Frannie are pulled into intrigue that will shake their faith in God and man Long Distance Love Jodie Sewall,2018-04-03 This collection of 267 personal letters will introduce you to Oliver Eleanor Marietta Boizard and their friends You will journey with the Boizards to Florida during the Seminole Indian War where Eleanor works as a laundress at Fort Myers while Oliver s Army unit is building a road through the swamp near Lake Okeechobee From there Oliver s Army unit moves to Fort Leavenworth and Fort Ridgely in the Nebraska Territory In 1861 when the American Civil War begins Oliver is stationed in Newport Barracks Kentucky At the expiration of his enlistment in February 1864 Oliver moves to Chicago Due to health reasons his wife and daughter move to Glen Arbor Michigan From 1864 1870 Oliver and Eleanor write to each other and occasionally visit Oliver works to support his family You will read about Indians military outposts Civil War Battles General Grant Sherman s march and the assassination of President Lincoln You will also discover the cost of many everyday items during the mid 1800 s Tears of History Pierre Birnbaum,2023-08-01 For many Jews for more than a century the United States has seemed to be a safe haven There has been antisemitic prejudice but nothing on the scale of the discrimination persecution pogroms and genocide witnessed in Europe White American ethnic violence has assailed many targets but Jews have rarely been among them Observing what he took to be an American exception the influential historian Salo Baron challenged the lachrymose conception of Jewish history

as an unending flow of oppressions and many have followed him in seeing American Jews as sheltered from violence But in recent years a spate of antisemitic attacks has cast doubt on this rosy view The eminent French scholar Pierre Birnbaum offers a timely reconsideration of the tear stained pages of Jewish history and the persistence of antisemitism He explores the promise of American tolerance as well as the darkest moments of American intolerance such as the 1913 lynching of Leo Frank Birnbaum engages deeply with Baron's views about Jewish history and tracks the echoes of European antisemitic violence in American culture He argues that a new and insidious form of antisemitic ideology has arisen one that sees the state as an instrument of Jewish control and threatens further bloodshed Thoughtful and eloquent Tears of History is an important reflection on the roots of antisemitic violence and hatred
