Angus Wilson Peter J. Conradi,1997 This book explores Sir Angus Wilson s many faces as a writer and investigates the ways in which his literature depicts people who undergo a crisis and or collapse of self belief and then have to find the courage to invent themselves anew

George Orwell Alan Sandison,1986-02-20 First published in 1974 under the title *The Last Man in Europe* Alan Sandison s book took an unusual view of Orwell as a writer of paradox wherein the Protestant urge to question struggles with a longing to assent The argument of the book was described in the *Economist* as brilliantly sustained and magisterially cumulative Ten years after first publication this new edition of the book which significantly extends the argument is still a challenge to conventional thinking about Orwell showing him to be remarkably dependent upon the Protestant Puritan tradition which he is no longer able to accept

Narrative Form Suzanne Keen,2015-07-28 This revised and expanded handbook concisely introduces narrative form to advanced students of fiction and creative writing with refreshed references and new discussions of cognitive approaches to narrative nonfiction and narrative emotions

Idle Talk, Deadly Talk Ana Rodríguez NavasX,2018-10-22 Chaucer called it spiritual manslaughter Barthes and Benjamin deemed it dangerous linguistic nihilism

But gossip long derided and dismissed by writers and intellectuals is far from frivolous In *Idle Talk Deadly Talk* Ana Rodríguez Navas reveals gossip to be an urgent utilitarian and deeply political practice a means of staging the narrative tensions and waging the narrative battles that mark Caribbean politics and culture From the calypso singer's superficially innocent rhymes to the vicious slanders published in Trujillo era gossip columns words have been weapons elevating one person or group at the expense of another Revising the overly gendered existing critical frame Rodríguez Navas argues that gossip is a fundamentally adversarial practice Just as whispers and hearsay corrosively define and surveil identities they also empower writers to skirt sanitized monolithic historical accounts by weaving alternative versions of their nations histories from this self governing discursive material Reading recent fiction from the Hispanic Anglophone and Francophone Caribbean and their diasporas alongside poetry song lyrics journalism memoirs and political essays *Idle Talk Deadly Talk* maps gossip's place in the Caribbean and reveals its rich possibilities as both literary theme and narrative device As a means for mediating contested narratives both public and private gossip emerges as a vital resource for scholars and writers grappling with the region's troubled history

Narrative Form S. Keen, 2003-11-13 This handbook concisely introduces narrative form to advanced students of fiction Beginning with a survey of major theorists and approaches and using clearly defined terms *Narrative Form* explains critical vocabulary and offers a variety of strategies for analyzing the formal qualities of fiction Keen suggests that interpretations of form can be effectively integrated with contemporary approaches to literature including feminist postcolonial and cultural studies methodologies *Narrative Form* shows how to use the language of formal analysis accurately and innovatively

Literary Symbiosis David Cowart, 2012-01-01 It is only the unimaginative who ever invents Oscar Wilde once remarked The true artist is known by the use he makes of what he annexes and he annexes everything Conveying a similar awareness James Joyce observes in *Finnegans Wake* that storytelling is in reality stolen telling that art always involves some sort of theft or borrowing Usually literary borrowings are so integrated into the new work as to be disguised however according to David Cowart recent decades have seen an increasing number of texts that attach themselves to their sources in seemingly parasitic but more accurately symbiotic dependence It is this kind of mutuality that Cowart examines in his wide ranging and richly provocative study *Literary Symbiosis* Cowart considers for instance what happens when Tom Stoppard in *Rosencrantz and Guildenstern Are Dead* rewrites *Hamlet* from the point of view of its two most insignificant characters or when Jean Rhys in *Wide Sargasso Sea* imagines the early life of Bertha Rochester the mad woman in the attic in *Jane Eyre* In such works of literary symbiosis Cowart notes intertextuality surrenders its usual veil of near invisibility to become concrete and explicit a phenomenon that Cowart sees as part of the postmodern tendency toward self consciousness and self reflexivity He recognizes that literary symbiosis has some close cousins and so limits his compass to works that are genuine reinterpretations writings that cast a new light on earlier works through some tangible measure of formal or thematic evolution whether on the part of the guest alone or the host and guest together Proceeding from this

intriguing premise he offers detailed readings of texts that range from Auden's *The Sea* and the *Mirror* based on *The Tempest* to Valerie Martin's reworking of *The Strange Case of Dr Jekyll and Mr Hyde* as *Mary Reilly* to various fictions based on *Robinson Crusoe*. He also considers in Nabokov's *Pale Fire* a compelling example of text and parasite text within a single work. Drawing on and responding to the ideas of disparate thinkers and critics among them Freud, Harold Bloom, Jacques Lacan, Jacques Derrida, Hillis Miller and Henry Louis Gates Jr, Cowart discusses literary symbiosis as Oedipal drama as reading and misreading as deconstruction as Signifying and as epistemic dialogue. Although his main examples come from the contemporary period he refers to works dating as far back as the classical era, works representing a range of genres: drama, fiction, poetry, opera and film. The study of literary symbiosis, Cowart contends, can reveal much about the dynamics of literary renewal in every age. If all literature redeems the familiar, he suggests, literary symbiosis redeems the familiar in literature itself.

Philip Larkin and his Contemporaries Philip Hobsbaum, Salem K Hassan, 1988-07-26 **Robert Graves** D. N. G. Carter, 1989 [The British and Irish Novel Since 1960](#) James Acheson, 1991-09-03 The essays in this collection survey the work of some of the most important British and Irish novelists of today. They not only consider afresh the work of novelists who established their reputations before 1960 such as Doris Lessing and William Golding, they also discuss the work of more recent novelists among them Kazuo Ishiguro, Angela Carter and Graham Swift. The contributors are drawn from various parts of the English speaking world and provide a variety of original perspectives on the novelists concerned.

A Reader's Guide to the Twentieth-century Novel in Britain Randall Stevenson, 1993-01-01 The novel is the major literary phenomenon of the twentieth century and its development in Britain since 1900 has reflected the tumultuous changes that have characterized modern society. Randall Stevenson now presents an accessible and authoritative guide to the work of the century's leading novelists as well as many of its lesser known writers. In this stimulating and wide ranging account, Stevenson locates the work of individual writers from Conrad to Jeanette Winterson within an evolving literary history and the wider context of social, political and cultural change. Included are British writers working in exile and writers with origins elsewhere such as James and Rushdie who have chosen to work in Britain. Women novelists are accorded their rightful prominence. This clear and lively survey deals with a broad range of movements including modernism and postmodernism as well as the influence of other world literatures and the impact of two world wars. An ideal text, this is a guide in the best sense: concise and lucid, well informed and perceptive. Readers new to the field will appreciate Stevenson's clear direction while the experienced will be delighted by newly revealed connections and fresh perspectives.
