Louis Malle Hugo Frey, 2019-01-11 This is the first monograph on controversial French director Louis Malle to be published in English Hugo Frey introduces Malle's work through a lucid analysis of his many masterpieces including *Le Feu Follet* *Lacombe Lucien* and *Au revoir les enfants* He also traces the director's extended period of work in the USA which resulted in powerful films such as *Pretty Baby* *Atlantic City* USA and *My Dinner with André* The book focuses on the most challenging aspects of Malle's oeuvre his aesthetic vision his youthful attraction to a form of right wing pessimism and his 1970s libertarianism By rethinking Malle's portrayals of Nazi occupied France Frey demonstrates that he is of equal importance to contemporary historians as to film studies This new appraisal is a nuanced study of an important film maker and a critical intervention in the debates which surround Malle's work *Sight and Sound*, 2007 **TLA Film, Video, and DVD Guide 2002-2003** David Bleiler, 2014-04-08 The TLA Film Video from *This Is Spinal Tap* to *Ma Vie en Rose* *In Love with Movies* Daniel Talbot, 2022-04-13 All that I do is go out and look at films and choose the ones I want to play films that stimulate and give some insight into our lives I hope that people will come but if they don't that's okay too Daniel Talbot changed the way the Upper West Side and art house audiences around the world went to the movies *In Love with Movies* is his memoir of a rich life as the impresario of the legendary Manhattan theaters he owned and operated and as a highly influential film distributor Talbot and his wife Toby opened the New Yorker Theater in 1960 cultivating a loyal audience of film buffs and cinephiles He went on to run several theaters including Lincoln Plaza Cinemas as well as the distribution company New Yorker Films shaping the sensibilities of generations of moviegoers The Talbots introduced American audiences to cutting edge foreign and independent filmmaking including the French New Wave and New German Cinema In this lively personal history of a bygone age of film exhibition Talbot relates how he discovered and selected films including future classics such as *Before the Revolution* *Shoah* *My Dinner with André* and *The Marriage of Maria Braun* He reminisces about leading world directors such as *Sembène* *Godard* *Fassbinder* *Wenders* *Varda* and *Kiarostami* as well as industry colleagues with whom he made deals on a slip of paper or a handshake *In Love with Movies* is an intimate portrait of a tastemaker who was willing to take risks It not only lays out the nuts and bolts of running a theater but also tells the story of a young cinephile who turned his passion into a vibrant cultural community [Refugees](#) Nathan Bell, 2021-03-18 There have never been more refugees across the world from Myanmar to Syria than at this moment Many more millions of refugees are likely to be displaced by the effects of climate change Why has politics failed to produce adequate responses to these challenges and not heeded the lessons of refugee crises of the past Are human rights and international law or more radically the case for open borders sufficient to address them Nathan Bell argues for nothing less than a new concept of the political that societies liberal or not in the mode of the sovereign state or some other form embrace an ethos of responsibility for others where the right to seek asylum becomes foundational for politics itself Such a proposal is at the antipodes of Schmitt's

friend enemy distinction such that hospitality and not hostility forms the basis of political decision making This book comprises two halves the first establishes the theoretical basis of the ethos of responsibility with particular reference to the writings of Hannah Arendt Emmanuel Levinas and Jacques Derrida while the second half examines these theorists in the context of historical and contemporary case studies Finally the book calls for a politics of hauntology in memory of the missing those who might have been rescued and those yet to come who are already among the disappeared In this urgent work Bell demonstrates that a radical reconfiguration of the understanding of politics is required in order to safeguard the future and human dignity of stateless persons
