AB Bookman's Yearbook ,1983 *May Alcott Nieriker, Author and Advocate* Julia Dabbs,2022-03-01 May Alcott Nieriker Author and Advocate examines in depth the writings on art and travel by the youngest sister of famed novelist Louisa May Alcott Like other American women in the later nineteenth century due to her gender May was unable to receive the advanced training and exhibition opportunities in the USA that she needed to become a notable professional painter An additional obstacle was her family's insecure financial status making it difficult to study abroad for training Fortunately thanks to Louisa's generosity May was able to make three extended trips to London and Paris in order to gain further training and eventually attained the honor of having two paintings accepted into the Paris Salon However this book argues that Alcott Nieriker's main contributions to cultural history were not necessarily her artistic creations but rather her publications on travel and art specifically four articles for the Boston Evening Transcript and an 1879 guidebook *Studying Art Abroad and How To Do It Cheaply* In these works May sought to transform

the art world and social mores through her advocacy for the rights of women to have equal access to a professional artistic career
