Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective

on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan s paradoxical claim that love is giving what you don t have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don t have This first ever commentary on Lacan s Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan s views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions
