Sandwell,2011-11-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in Beyond the City Limits all published here for the first time decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province's history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province's history the provocative essays in Beyond the City Limits expand our understanding of what rural was and what it meant in the history of British Columbia **Life in Flip Flops** Sonja B. DeChene,2012-05-31 Cool You're reading the back of my book which means the front caught your eye Now you're just about ready to open it up and well since I still have your attention So this is my first book a lifetime in the making And you won't find any fancy reviews by important people written here What you will see is my invitation especially for you Between the covers is an eclectic collection of true stories extracted from my life and imagination Its not a how to book or a dramatic tale of triumph Its simply thoughts about everyday life that most anyone can relate to yet spend little time putting much thought into This compilation of short stories won't change your life But Im pretty sure it will warm your heart make you smile and make you think you might even shed a tear or two And it just might inspire you to tweak your outlook on life just a little bit That my friend is up to you So steal a few moments for yourself and curl up with Life in Flip Flops And if a bon fire with smores breaks out halfway through then you're right where you need to be Enjoy Juici Couture & the Suga-Hill Gang Kenny Attaway's,2013-12-04 juici couture including money laundering racketeering
