Carole Golder reveals the secrets of building more lasting fulfilling relationships with the special people in our lives Love Lives Using Astrology to Build the Perfect Relationship with Any Star Sign is just the book for lovers trying to turn dreams into reality *Star Trek* Duncan Barrett,Michèle Barrett,2016-08-05 In a world shrunk by modern transport and

communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon

Mysteries In Sexual Intercourse Timothy P. Ngwana, 2009-01-05 Sex education for long has been a taboo subject in our societies. Most parents are always shy to give their children any little information they know about sexual intercourse. Many schools give that which they know but in a wrong way. Instead they somehow condone to students indulging in sexual intercourse as an adventure. The church that could give the truth gives it poorly. This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom. I say lack of communication because despite the education many have acquired so far sexually related diseases and disasters have led and are still leading many people quickly to their graves and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes. We cannot afford to ignore this knowing that sex is one of the fundamental issues of life. Amongst the ten major stimulus of the body scientifically it has been proven that sexual drive is the greatest. Due to too many sexual disasters in our societies today many people may ask why is it that God created sexual intercourse. Let me tell you. Any thing created by God is for the good of man but only becomes bad when misused. Through this book I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse. There is a mystery about sexual intercourse that many people have not yet known. God says my people are destroyed for lack of knowledge. Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment. You will also know the consequences of wrong sexual relationships and the solutions to liberate yourself if you are in such bondages. This book is a product of many years of experience and research. *Love After Sex* Olivia, 2006 Seduction is an art but so is maintaining a happy and healthy relationship. *Love After Sex* shows readers how to fan the flames of love after those initial sparks have flown. Astrology can point to our areas of greatest romantic compatibility and forewarn us about our greatest challenges. With only a birth date readers can gain crucial insight into their relationships and receive valuable advice for making love last. *Love After Sex* illustrates how sex money and power dynamics play out in relationships based on the Sun sign combinations of the people involved. It also discusses Moon sign tendencies which play a vital part in relationships and indicate how well you are able to emotionally nurture your lover. This hip witty guide to love reveals the secrets of your relationship and uncovers the essence of what the two of you can do and be together. **Step in the Name of Love Sex Addicted Life with R. Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses Carola Katharina Bauer, 2013-06-01 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s the abnormality of those female cross voyeurs is constantly underlined in U S popular and academic culture As the astonished public reactions in the face of a largely female heterosexual audience of *Brokeback*

Mountain 2005 and Queer as Folk 2000 2005 have shown a woman's erotic romantic interest in male homosexuality is definitely not as accepted as its male counterpart men consuming lesbian porn In the academic publications on female cross voyeurs the application of double standards with regard to male female cross voyeurism is even more obvious As Karen Hellekson and Kristina Busse note in their Introduction to Fan Fiction and Fan Communities in the Internet 2006 slash fiction fan fiction about male homosexual relationships mainly produced and consumed by women has stood in the center of fan fiction studies so far despite being merely a subgenre of it The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m/m romance or pornography within the academic discourse a trend which differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet
