

A romantic couple is shown in a close embrace, sitting on a grassy bank next to a calm body of water. The man, with dark hair and wearing a dark t-shirt, has his arm around the woman. The woman, with long dark hair and wearing a blue top, has her eyes closed and a peaceful expression. They are positioned in the lower half of the frame. Above them, the dark, intricate branches of a large tree hang over the water, creating a canopy effect. The water is still, reflecting the light from the sky. The overall mood is serene and intimate.

Pillars of Greatness Joshua Owolabi, 2016-01-13. Pillars of Greatness is a piece that considers life pursuits from the perspective of purposefulness and sustainable fulfillment. It emphasizes the need to live life purposefully. While most of us are basically in constant pursuit of success, there is more to fulfillment than these discrete achievements that are called successes. Greatness is rather the ultimate linking purpose and destiny to fulfillment. Greatness comes when successes are sustainable by principles and consistent with purpose. There are four pillars to greatness: vision, passion, actions, and principles. The book illustrates the processes involved in quality envisioning, mechanisms of building, burning, and driving passion, strategies of effecting potent actions, and principles of sustaining greatness. It's a piece like no other on this subject. The uniqueness of the author's approach and the inspiring and compelling approach to teaching fundamental life principles becomes irresistibly impactful and inspiring.
