Caobohe,2020-04-03 I grew up among young ladies and every day I see men and women mingling with each other learning from them Love, Luck, and Lore Theresa Hoiles,Elizabeth Carr,2006-02-01 Most cultures and societies around the world have their own unique methods for finding love For instance in Genoa Italy a yearly celebration commemorates the generosity of Count Fieschi of Lavagna who in 1240 threw a party with a 30 foot cake Townsfolk remember him with a parade and a little romance they pin to their clothing a piece of paper blue for men white for women on which a specific word is written When they find someone wearing the same word the couple is given a piece of cake And the rest is up to them This charming practice and many others can be found in Love Luck and Lore In this little book of love Theresa Hoiles and Elizabeth Carr have collected celebrations and spell rhymes fortune telling tricks and food charms to help you snag that guy

The Semiotics of Love Marcel Danesi,2019-07-30 The Semiotics of Love brings together work on early symbolism literary practices and contemporary communication on the theme of romance and the idea of love to forge an understanding of the semiotic cultural side of romance Moving beyond psychological and neuroscientific scholarly analyses of love Marcel Danesi works to interrogate the cultural constructions of love across societies This book analyzes romantic love from the general perspective of semiotics that is from its more generic interpretive angle rather than its more technical one The specific analytical lens used is based on the notion that we convert our feeling structures into sign structures words symbols and sign based constructions texts rituals etc which then allow us to reflect upon something cognitively rather than just experience it physically and emotionally
