

Love In Ancient Rome

Jean-Claude Kaufmann

Love In Ancient Rome:

Love in Ancient Rome Pierre Grimal,1967 **Lupercalia: The Ancient Roman Celebration of Love** Wilford Kirk,2024-10-25 Step back in time to explore the ancient Roman festival of Lupercalia an intriguing and romantic holiday steeped in tradition and mythology Discover the origins of this lesser known Valentine s Day precursor and how it was celebrated by the ancient Romans Learn about the rituals customs and practices associated with Lupercalia from sacrifice to matchmaking to fertility rites Delve into the historical significance of this holiday and its impact on modern day celebrations of love and romance Uncover the myths and legends surrounding Lupercalia including the tale of Romulus and Remus the founding of Rome and the influence of the Roman god Lupercus Explore the symbolism of the lupine wolf and the ritualistic elements of purification and fertility that played a central role in the festivities Gain insight into the role of the Lupercal cave where the priests of Lupercalia performed sacred rites and honored the ancient gods of love Follow along on a journey through time as we explore how Lupercalia was celebrated in different regions of the Roman Empire and how it evolved over the centuries From Rome to Pompeii to Greece experience the diverse traditions and rituals that made Lupercalia a beloved holiday across the ancient world Gain a newfound appreciation for the cultural significance of this ancient celebration of love and fertility From historical texts to archaeological discoveries immerse yourself in the world of Lupercalia and discover the enduring legacy of this ancient Roman Valentine s Day **Love in Ancient Rome** Lauren Keen,2019-05-29 Set in Ancient Rome a steamy romance blossoms between a noblewoman and her female servant Being married off into a wealthy household Sestalia realizes that having servants was easily the best part In a house filled with them at each corner some particular red hairs caught her eye Ginger servants are rare in ancient Rome almost a commodity amongst nobles And this one was tucked away for her alone Sestalia finds herself curious around the girl and hesitant being her first time with a female Even coming to enjoy her presence more than her soon to be An innocent attraction at first but one that could shatter her only means to remain in this lavish life *Love in Ancient Rome* Edgar Royston Pike,1965 *The Origin and Meaning of Courtly Love* Roger Boase,1977 *Rome Is Love Spelled Backward* Judith Testa,1998-04-01 A celebration of the art architecture and timeless human passion of the Eternal City Rome Is Love Spelled Backward explores Rome s best known treasures often revealing secrets overlooked in conventional guidebooks With the ancient play on Roma and Amor ROMAMOR Testa invites readers to experience the world s long love affair with one of its most beautiful cities *Screening Love and War in Troy: Fall of a City* Antony Augoustakis,Monica S. Cyrino,2022-01-13 This is the first volume of essays published on the television series Troy Fall of a City BBC One and Netflix 2018 Covering a wide range of engaging topics such as gender race and politics international scholars in the fields of classics history and film studies discuss how the story of Troy has been recreated on screen to suit the expectations of modern audiences The series is commended for the thought provoking way it handles important issues arising from the Trojan War narrative that continue to impact our society today With discussions

centered on epic narrative cast and character as well as tragic resonances the contributors tackle gender roles by exploring the innovative ways in which mythological female figures such as Helen Aphrodite and the Amazons are depicted in the series An examination is also made into the concept of the hero and how the series challenges conventional representations of masculinity We encounter a significant investigation of race focusing on the controversial casting of Achilles Patroclus Zeus and other series characters with Black actors Several essays deal with the moral and ethical complexities surrounding warfare power and politics The significance of costume and production design are also explored throughout the volume

A Companion to Roman Love Elegy Barbara K. Gold, 2012-04-25 A Companion to Roman Love Elegy is the first comprehensive work dedicated solely to the study of love elegy The genre is explored through 33 original essays that offer new and innovative approaches to specific elegists and the discipline as a whole Contributors represent a range of established names and younger scholars all of whom are respected experts in their fields Contains original never before published essays which are both accessible to a wide audience and offer a new approach to the love elegists and their work Includes 33 essays on the Roman elegists Catullus Tibullus Propertius Sulpicia and Ovid as well as their Greek and Roman predecessors and later writers who were influenced by their work Recent years have seen an explosion of interest in Roman elegy from scholars who have used a variety of critical approaches to open up new avenues of understanding

Love and Violence David Richards, 2023-11-25 This book offers both a philosophical and psychological theory of an aspect of human love first noted by Plato and used by Freud in developing psychoanalysis transference love namely lovers as mirrors for one another enabling them thus better to see and understand themselves and others Shakespeare's art makes the same appeal theater as a communal mirror expressing the artist holding a loving mirror for his culture at a point of transitional crisis between a shame and guilt culture The book shows how Shakespeare's plays offer better insights into the behavior of violent men than Freud's based on close empirical study of violent criminals develops a theory of violence rooted in the moral emotions of shame and guilt and a cultural psychology of the transition from shame to guilt cultures The work argues that violence is contra Freud not an ineliminable instinct in the nature of things requiring autocracy but arises from patriarchally inflicted cultural injuries to the love of equals that undermine democracy and that only a therapy based on love can address such injuries replacing retributive with restorative justice and populist fascist autocracy with constitutional democracy Love thus understood underlies a range of disparate phenomena the appeal of Shakespeare's theater as a communal art the role of love in psychoanalysis in Augustine's conception of love in religion disfigured by his patriarchal assumptions in Kant's anti-utilitarian ethics of dignity in a naturalistic ethics that roots ethics in facts of human psychology the role of law in democratic cultures as a mirror and critique of such cultures and the basis of an egalitarian theory of universal human rights inspired by Kant and developed more recently by John Rawls In all these domains uncritically accepted forms of culture the initiation of men and women into patriarchy traumatize the love of equals and thus disfigure and distort our personal and political lives

For the Love of Rome John Ferris, 2013-06 In *For the Love of Rome* John Ferris conveys his excitement in discovering the city of Rome through language that moves those unfamiliar with the enchanted city as well as those who have often been there. The book is not about wars, persecutions, internal struggles for power within Roman and Vatican rule, nor cultural development. As Ferris said, 'The book is about our experiences in mid 1960s and 1970s Rome: what drew my wife and me there and what we learned by seeing and reading.' The style is witty, amusing, and unfailingly interesting as he relates historical anecdotes and reveals Rome's impact on various major figures including Charles Dickens, James Joyce, and many more.

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C. Verstraete, Vernon L. Provençal, 2014-05-01 New and surprising insights into homoeroticism of times past. In ancient times the Greek god Eros personified both heterosexual and homosexual attractions. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* explores the homosexual side of the vanished civilizations of Greece and Rome and the resulting influence on the Classical tradition of the West. Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world. Iconography such as vase decoration and carved gemstones is presented in photographs, and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* lays to rest the myths generally accepted as truth about Greco Roman views on homosexuality and brings fresh insights to philological and historical scholarship. This book provides nuanced humanistic discussions on the common phenomena of same sex desire. Topics include Greek pederasty and its origins, the Greek female homoeroticism of Sappho, homosexuality in Greek and Roman art and literature, and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century. The text is extensively referenced and includes helpful notation. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* provides a comprehensive table of abbreviations, subject index, and index of names and terms. It discusses in detail the integral role athletic nudity played in athlete training, pederasty, the central role of pederasty in Greek history, politics, art, literature, and learning, tracing the history of the Ganymede myth, how the athletic culture of Sparta contributed to the spread of pederasty in Greece, homosexuality in Boeotia in contrast to the rest of Greece, the homoeroticism of Sappho, dispelling generally accepted myths prevalent about Roman sexuality, Roman visual representations of homosexuality as evidence of prevailing attitudes, homoerotic connotations in literature and philosophy of the Italian Renaissance, the effect of German classical philology on gay scholarship, English Romantic poets and the importance of male love in their lives, the Uranians' use of allusions and themes from ancient Greece, the building of intellectual community through gay print culture through the use of Greece and Rome as models, and more. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* is essential reading for Classicists, specialists in gender sexuality studies, humanists interested in the classical tradition.

in Western culture psychologists and other social scientists in human sexuality *The Legacy of Ancient Rome in the Russian Silver Age* Anna Frajlich, 2007-01-01 For poets throughout the world Rome was the world This is particularly true for Russian poets owing to the anagrammatical relation of the words Rome and mir Rome and world The legacy of ancient Rome has always constituted an important component of the Russian cultural consciousness The revitalization of classical scholarship in nineteenth century Russia and new approaches to antiquity prompted many of the Russian Symbolists to seek their inspiration in ancient Rome Vladimir Solovyov Dmitry Merezhkovsky Valery Bryusov Vyacheslav Ivanov Maksimilian Voloshin Vasily Komarovskiy and Mikhail Kuzmin all made significant contributions to what is often referred to as the Roman text The Legacy of Ancient Rome in the Russian Silver Age analyzes the forms involved in creating the Roman image and explores its functionality within the given poetic system In addition to the formal analysis the background and the stimulus leading up to the composition of a particular poem are explored as well as allusions to legends myths and Rome's geography and architecture Moreover this study considers the function of the Roman text in Russian Symbolist poetics and the works of the individual poets Finally the relation between the Roman and Petersburg texts of Russian literature is explored since many of the Russian Symbolist poets found in Rome a perfect metaphor for their studies of the city and urban poetry **Proper Parenting in Ancient Rome** Anne Hart, 2007-02-13 It is 150 BCE Twenty year old Quintus Cincinnatus Aemilianus arrives at his family estate in the Etruscan farmed countryside an hour's ride from Rome to face adult responsibilities He's a world traveler senator in training and learned in architecture But he has only one mission in life to maintain peace in the home He believes family harmony is a microcosm of all that exists He learns his father a man with Etruscan enemies is missing After childhood years spent learning Greek Latin and Aramaic from diverse sages in Alexandria seeking proper holistic parenting is no problem He owns the Antikythera device a mechanism of complicated gears physically representing the Callippic and Saros astronomical cycles It's not only gears he wants to mesh It's the human condition And he looks for patterns in nature Quintus believes in proper holistic parenting as an adventure within a timeless search for the perfect nurturing mother His goal and life purpose are achieved through practical deeds He is an ancient builder of dreams so far ahead of his century that he finds time travel a gift of destiny For Quintus the explorer and observer of comparative thought the best way to study the human condition is through art He believes that peace in the home feeds the growth of consciousness *Ancient Rome: 4 in 1* A.J. Kingston, 2023 Introducing the Ancient Rome 4 in 1 book bundle a must have collection for any history buff or lover of ancient civilizations This bundle includes four captivating books that delve deep into the history of the Roman Empire Augustus the Colosseum and Gladiators In Book 1 The Roman Empire A Tale of Power Politics and Enduring Legacy you will discover the fascinating history of one of the world's most powerful empires From its humble beginnings to its eventual collapse this book covers all the major events and influential figures that shaped the Roman Empire Book 2 Augustus The Rise of Rome's First Emperor and the Foundation of the Roman Empire takes a closer look at the life of Augustus the man

Kaufmann,2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France s leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers **Ancient Rome** William E. Dunstan,2010-11-16 Ancient Rome masterfully synthesizes the vast period from the second millennium BCE to the sixth century CE carrying readers through the succession of fateful steps and agonizing crises that marked Roman evolution from an early village settlement to the capital of an extraordinary realm extending from northern Britain to the deserts of Arabia A host of world famous figures come to life in these pages including Alexander the Great Hannibal Julius Caesar Cleopatra Augustus Livia Cicero Nero Hadrian Diocletian Constantine Justinian and Theodora Filled with chilling narratives of violence lust and political expediency this book not only describes empire shaping political and military events but also treats social and cultural developments as integral to Roman history William E Dunstan highlights such key topics as the physical environment women law the roles of slaves and freedmen the plight of unprivileged free people the composition and power of

the ruling class education popular entertainment food and clothing marriage and divorce sex death and burial finance and trade scientific and medical achievements religious institutions and practices and artistic and literary masterpieces All readers interested in the classical world will find this a fascinating and compelling history **LOVE = POISON** Alex Forgon, In **LOVE POISON** Why True Love Is Impossible Schopenhauer one of history's most provocative philosophers dismantles humanity's greatest illusion the idea of eternal selfless love For Arthur Schopenhauer what we call love is not a gift but a trap a form of mental manipulation and instinctual drive that enslaves rather than liberates Drawing from the Schopenhauer complete works this book reveals how passion disguises desire how affection hides emotional manipulation meaning and why men and women fall into patterns that repeat endlessly across generations For anyone wondering what do you mean by philosophy Schopenhauer's fearless analysis of human relationships provides an unforgettable answer Inside these pages you will uncover Schopenhauer on women how unconscious desires exposed by a woman's psychologist or through female psychology align with the philosopher's most brutal warnings The hidden rules of attraction why the psychology of attracting a woman female love psychology and the psychology of men and women reveal more about survival than romance Love as nature's manipulation where devotion becomes master manipulation binding us to the will to live Arthur Schopenhauer described in *The World as Will and Representation* Timeless philosophy made modern why Schopenhauer's insights echo in dating culture fleeting passion and psychology of female friendships showing the deep layers of the psychology of the female mind Perfect for readers of Schopenhauer books from *The World as Will and Idea* *The Wisdom of Life* *The Art of Always Being Right* to *Schopenhauer Counsels and Maxims* this work bridges 19th century thought with today's struggles in love and relationships Whether you explore Schopenhauer kitaplar dive into a Schopenhauer biography or study him as a Schopenhauer philosopher this book stands as an essential companion If you've read Schopenhauer cure Yalom or studied Schopenhauer cure you'll see how his radical insights on suffering extend into the realm of love itself By examining women and psychology female psych and the forces that shape desire Schopenhauer shows why love is not salvation it is poison For seekers of truth students of philosophy or anyone questioning the illusions of modern romance **LOVE POISON** is your wake up call Love Songs Ted Gioia, 2015-01-14 The love song is timeless From its beginnings it has been shaped by bohemians and renegades slaves and oppressed minorities prostitutes immigrants and other excluded groups But what do we really know about the origins of these intimate expressions of the heart And how have our changing perceptions about topics such as sexuality and gender roles changed our attitudes towards these songs In *Love Songs The Hidden History* Ted Gioia uncovers the unexplored story of the love song for the first time Drawing on two decades of research Gioia presents the full range of love songs from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day The book traces the battles over each new insurgency in the music of love whether spurred by wandering scholars of medieval days or by four lads from Liverpool in more recent times In these pages Gioia

reveals that the tenderest music has in different eras driven many of the most heated cultural conflicts and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world Gioia forefronts the conflicts controversies and the battles over censorship and suppression spurred by such music revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship and the ways their innovations have led to reprisals and strife And he describes the surprising paths by which the love song has triumphed over these obstacles and emerged as the dominant form of musical expression in modern society

Extravagant Love Carole Engle Avriett, 2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God s extravagant love It is beyond measure Careful study of God s Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay His head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus s culture to shed new light on God s nature Reading it you will gain a deeper understanding of God s love a love of astonishing extravagance

Thank you totally much for downloading **Love In Ancient Rome**. Most likely you have knowledge that, people have seen numerous times for their favorite books like this Love In Ancient Rome, but stop in the works in harmful downloads.
