Love In The Film Seventy Years Of Romantic Classics:

Classical Hollywood Comedy Kristine Brunovska Karnick, Henry Jenkins, 2013-02-01 Applies the recent return to history in film studies to the genre of classical Hollywood comedy as well as broadening the definition of those works considered central in this field *Subject Guide to Books in Print* ,1996 **Books in Print** ,1991 **Sightlines** ,1979 **Focus On:**

100 Most Popular Male Actors in Hindi Cinema Wikipedia contributors, **Fitzgerald and Hemingway on Film** Candace Ursula Grissom, 2014-04-02 A comprehensive guide to all major film adaptations based on the novels of F Scott Fitzgerald and Ernest Hemingway this is essential for scholars of American modernism and film studies The author takes the approach that all visual and printed literature is born from a cycle of celebrity culture in which authors continually create new works and reconstruct their personal images based on audience reception The text includes two dozen reviews of individual films from the silent era to present day hits such as Baz Luhrman s *The Great Gatsby* as well as critical commentary from leading scholars of both modernist literature and film studies *The Publishers' Trade List Annual* ,1985

Box Set: Ingrid Bergman, Bette Davis, Katharine Hepburn, Elizabeth Taylor Grace May Carter, 2018-10-12 Here from New York Times bestselling biographer Grace May Carter are the extraordinary lives of Ingrid Bergman Bette Davis Katharine Hepburn and Elizabeth Taylor Ingrid Bergman emerges as a devoted artist whose refusal to be a caricature caused her endless trouble but also produced brilliant performances from her early role opposite Humphrey Bogart in *Casablanca* to her profound and final appearance as Israeli Prime Minister Golda Meir In between there were four children including actress Isabella Rossellini three husbands and passionate affairs with war photographer Robert Capa Wizard of Oz director Victor Fleming and *Spellbound* co star Gregory Peck She was perhaps the most international star in the history of entertainment and without a doubt one of the most misunderstood In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on the big screen Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress and made classic films that still rank among the greatest of all time She also exerted a unique influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world So here is the full epic story of the

patron saint of the independent American female as one critic described her Hepburn always lived life strictly on her own terms And oh what a life it was For a time Elizabeth Taylor was the world s biggest star but it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media facade Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson I ve always admitted that I m ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph

Bisexual Characters in Film Wayne M Bryant, 2013-10-23 How far have we progressed from the days when showing a film such as Jack Smith s *Flaming Creatures* landed the cinema s programmer projectionist and ticket taker in jail What are some of the hidden clues modern audiences are overlooking in older films that suggest a character s bisexuality Which famous actors actresses directors and screenwriters were attracted to people of both sexes In *Bisexual Characters in Film* the first book to focus on the role of bisexual characters in film you ll find answers to these questions and many more as you explore analyze and celebrate 80 years of bisexual movie characters and the people who have created them from around the world A lively entertaining and informative commentary this book examines the treatment of bisexual film characters and shows you how that treatment has been affected by societal forces such as censorship politics religious prejudices homophobia and sexual stereotypes *Bisexual Characters in Film* looks at the contribution of bisexual people and others who have had lovers of varying sexes to the body of work available on film today These include the directors writers actors composers and designers whose sexual orientation has informed their work An analysis of the Motion Picture Production Code and its devastating effect on bisexual and homosexual screen images forms an important part of the book You learn how specifically it eradicated gay lesbian and bisexual characters from Hollywood films as well as the role of bisexual lesbian and gay filmmakers in finally defeating it Other questions you ll find answers to include Who or what is a bisexual How were bisexual characters represented in silent film before the forces of censorship banned them from the screen What bisexual myths and stereotypes are portrayed on film What is the role of camp in bisexual film *Bisexual Characters in Film* is a unique resource for researchers librarians film festival planners the queer media professors and students of lesbian gay and bisexual studies bisexual activists and general bisexual gay lesbian and transgendered readers It provides a much needed view of bisexual representations in a major segment of our popular culture

Classical Vertigo Mark William Padilla,2024-03-18 Alfred Hitchcock s Vertigo has dazzled and challenged audiences with its unique aesthetic design and startling plot devices since its release in 1958 In Classical Vertigo Mythic Shapes and Contemporary Influences in Hitchcock s Film Mark William Padilla analyzes antecedents including 1 the film s source novel D entre les morts Among the Dead 2 the earlier symbolist novel Rodenbach s Bruges la morte and 3 the first draft screenplay of Maxwell Anderson a prominent Broadway dramatist and Hollywood scenarist from the 1920s to the 1950s The presence of Vertigo amid these texts reveals and clarifies how themes from Greco Roman antiquity emerge in Hitchcock s project Padilla analyzes narrative figures such as Prometheus and Pandora Persephone and Hades and Pygmalion and Galatea as well as themes like the dark plots of Greek tragedy to reveal how Hitchcock used allusive form to construct an emotionally powerful experience with an often minimalist script This analysis demonstrates that Vertigo is a multifaceted work of intertextuality with artistic and cultural roots extending into antiquity itself **New York Magazine** ,1994-11-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Love in Africa** Jennifer Cole,Lynn M. Thomas,2009-08-01 In recent years scholarly interest in love has flourished Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics Yet love in Africa has been peculiarly ignored resulting in a serious lack of understanding about this vital element of social life a glaring omission given the intense focus on sexuality in Africa in the wake of HIV AIDS Love in Africa seeks both to understand this failure to consider love and to begin to correct it In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar the effects of a Mexican telenovela on young people s ideas about courtship in Niger the models of romance promoted by South African and Kenyan

magazines and the complex relationship between love and money in Madagascar and South Africa Love in Africa is a vivid and compelling look at love's role in African society **Ancient Greek Women in Film** Konstantinos P.

Nikoloutsos, 2013-11-28 This volume examines cinematic representations of ancient Greek women from the realms of myth and history It discusses how these female figures are resurrected on the big screen by different filmmakers during different historical moments and are therefore embedded within a narrative which serves various purposes depending on the director of the film its screenwriters the studio the country of its origin and the sociopolitical context at the time of its production Using a diverse array of hermeneutic approaches such as gender theory feminist criticism psychoanalysis viewer response theory and personal voice criticism the essays aim to cast light on cinema's investments in the classical past and decode the mechanisms whereby the women under examination are extracted from their original context and are brought to life to serve as vehicles for the articulation of modern ideas concerns and cultural trends The volume thus aims to investigate not only how antiquity on the screen depicts and in this process distorts compresses contests and revises antiquity on the page but also more crucially why the medium follows such eclectic representational strategies vis vis the classical world
