Love Letters from Mother Earth Anneloes Smitsman, 2018-11-07 The Love Letters from Mother Earth series is written by Anneloes Smitsman to guide us into the heart of our humanity to discover the essence of who we are from a planetary perspective Within 12 hours of its launch The Promise of a New Beginning made it to the top 10 of Amazon International Bestsellers in two categories and has been endorsed by Dr Jean Houston Dr Lawrence Bloom Chief Phil Lane and Dr Jude Currivan as a book that will change your life and guide you Home Through these Letters we receive the wisdom and support that our planet as a caring and conscious Mother shares for this challenging time The Promise of a New Beginning lives within us as an ancient seed code from the Eternal We have been aware of this possibility for a long time yet as a species we were not yet sufficiently engaged with the process for birthing this together Collective engagement in the birthing of this new possibility is increasing now It is within this context that these Letters from Mother Earth and Father Sun have come into being They remind us that we are made for this process and we are not alone The first thirteen Letters provide us with three essential keys for the actualization of our unity By accessing these keys of wisdom we start to see and understand the root causes of the thousands of years of division and disunity that have caused so much suffering Mother Earth promises and shows us how a new cycle of time a new beginning is possible born from unity and wholeness by the power of Love This prepares us as co creators of a New Story based on the actualization of our true humanity **Love Letter to the Earth**

Thich Nhat Hanh, 2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change Love Letter to the Earth is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same *Earth is Hiring* Peta Kelly, 2018-01-31 Is hustle and grind really the message of The New Way Is financial freedom really what it s about is living life on our terms really the summit of this mission Is The New Way about becoming more successful than our generations before us This book is a conversation about The New Way to Live Lead Earn and Give It is a collection of insights and ideas about how we can and how we are changing the world It s an invitation to the New Superheroes the people all over the world who give a sh t about each other and our earth to lighten up

in our work as Game Changers It's a time stamp so that our kids and their kids can read it and say oh so that's what you were growing through back then The New Way is not just about having more money at the end of the month Success as we'd been taught isn't sufficient Success to our generation looked and felt completely different to what it looked and felt like to generations before us We millennials do not thrive off gains in a capitalist society The religious separation that our parents generation know is torturing our hearts Our planet isn't a place for us to holiday but a place of permanent residence with the requirement that we nurture and love our Mother Earth as our one collective mother There is no top when it comes to leadership but instead we're all about the power of tribe We don't care to move forward at lightning speed but would rather to stop and go back to our indigenous roots and ensure that ancient wisdoms are never forgotten Taking care of our brothers and sisters who are without basic necessities is the only way we all win Play is everything We're here to change the world but we've gotta stop taking it so seriously We're here to use our talents and abilities to create epic sh t but we've gotta stop missing the point along the way It's time for us to thrive like no generation before us ever has It's time for us to show the world how good it's really meant to be This book is for the millennial conscious leaders and entrepreneurs those ushering in the new paradigm through their work art businesses leadership
