His Guide to Evangelism Paul E. Little, 1977

Me, an Evangelist? William J. McKay, 1992

God's Guide to Freedom Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives

Gospel Shaped Outreach Leader's Guide Erik Raymond, 2015-04-13 Leader's Guide for the Outreach track of Gospel Shaped Church from The Gospel Coalition exploring what it means to be a community focused on mission Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be This nine week whole church resource will help members see both the priority of evangelism for our churches and to see the role that everyone can play in reaching out to those who are lost without Christ The Leader's Guide contains everything you need to lead this flexible course Many Christians are nervous

about telling someone else about Jesus We prefer to leave it up to the preacher or to those we see as particularly gifted for evangelism in our congregations But all believers are called to make disciples The nine sessions in this curriculum don't offer quick fixes or evangelism gimmicks But by continually pointing us back to the gospel they will give us the proper motivation to work together as a church to share the gospel message with those who are lost without Christ This flexible resource will train your whole church through teaching preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ Works alongside the Gospel Shaped Outreach DVD and the Gospel Shaped Outreach Handbook for use by church members **Examining the Impact of Trauma** Bradley D.

Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction **Jesus**

Westerhoff, 2012-08 Originally

written in 1976 revised in 200 and translated in six languages this classic critique of Christian education is newly revised and expanded and includes Westerhoff's overview and perspective on the state Christian education over the past forty years plus his role in that history According to Westerhoff instead of guiding faith formation within the family the church and the school we relegate religious education to Sunday morning classes There children learn the facts about religion but how will they learn or experience faith How can we nourish and nurture the faith of children instead of only teaching the facts The
