**John Joseph Mathews** Michael Snyder, 2017-05-11 John Joseph Mathews 1894-1979 is one of Oklahoma's most revered twentieth century authors An Osage Indian he was also one of the first Indigenous authors to gain national renown Yet fame did not come easily to Mathews and his personality was full of contradictions In this captivating biography Michael Snyder provides the first book length account of this fascinating figure Known as Jo to all his friends Mathews had a multifaceted identity A novelist naturalist biographer historian and tribal preservationist he was a true man of letters Snyder draws on a wealth of sources many of them previously untapped to narrate Mathews's story Much of the writer's family life especially his two marriages and his relationships with his two children and two stepchildren is explored here for the first time Born in the town of Pawhuska in Indian Territory Mathews attended the University of Oklahoma before venturing abroad and earning a second degree from Oxford He served as a flight instructor during World War I traveled across Europe and northern Africa and bought and sold land in California A proud Osage who devoted himself to preserving Osage culture Mathews also served as tribal councilman and cultural historian for the Osage Nation Like many gifted artists Mathews was not without flaws And perhaps in the eyes of some critics he occupies a nebulous space in literary history Through insightful analysis of his major works especially his semiautobiographical novel *Sundown* and his meditative *Talking to the Moon* Snyder revises this impression The story he tells of one remarkable individual is also the story of the Osage Nation the state of Oklahoma and Native America in the twentieth century

**The Dramatic Works of the Celebrated Mrs. Centlivre: Love's contrivance. Busy body. Marplot. Platonick lady. Perplex'd lovers. Cruel gift** Susanna Centlivre, 1872     *Masculinities and Crime* James W. Messerschmidt, 1993-08-24 Challenging the common masculinist character of criminological research James W. Messerschmidt develops an elaborate scrutiny of the gender roles that along with class and race influence the occurrence and types of crimes in our society     *Archives of Neurology and Psychiatry*, 1929     *The Subject of Murder* Lisa Downing, 2024-05-31 The subject of murder has always held a particular fascination for us But since at least the nineteenth

century we have seen the murderer as different from the ordinary citizen a special individual like an artist or a genius who exists apart from the moral majority a sovereign self who obeys only the destructive urge sometimes even commanding cult followings In contemporary culture we continue to believe that there is something different and exceptional about killers but is the murderer such a distinctive type Are they degenerate beasts or supermen as they have been depicted on the page and the screen Or are murderers something else entirely In *The Subject of Murder* Lisa Downing explores the ways in which the figure of the murderer has been made to signify a specific kind of social subject in Western modernity Drawing on the work of Foucault in her studies of the lives and crimes of killers in Europe and the United States Downing interrogates the meanings of media and texts produced about and by murderers Upending the usual treatment of murderers as isolated figures or exceptional individuals Downing argues that they are ordinary people reflections of our society at the intersections of gender agency desire and violence

**The Survey** ,1928      **The Witches Are Coming** Lindy West,2019-11-05 In this wickedly funny cultural critique the author of the critically acclaimed memoir and Hulu series *Shrill* exposes misogyny in the MeToo era This is a witch hunt We re witches and we re hunting you From the moment powerful men started falling to the MeToo movement the lamentations began this is feminism gone too far this is injustice this is a witch hunt In *The Witches Are Coming* firebrand author of the New York Times bestselling memoir and now critically acclaimed Hulu TV series *Shrill* Lindy West turns that refrain on its head You think this is a witch hunt Fine You ve got one In a laugh out loud incisive cultural critique West extolls the world changing magic of truth urging readers to reckon with dark lies in the heart of the American mythos and unpacking the complicated and sometimes tragic politics of not being a white man in the twenty first century She tracks the misogyny and propaganda hidden or not so hidden in the media she and her peers devoured growing up a buffet of distortions delusions prejudice and outright bullsh t that has allowed white male mediocrity to maintain a death grip on American culture and politics and that delivered us to this precarious disorienting moment in history West writes We were just a hair s breadth from electing America s first female president to succeed America s first black president We weren t done but we were doing it And then true to form like the Balrog s whip catching Gandalf by his little gray bootie like the husband in a Lifetime movie hissing If I can t have you no one can white American voters shoved an incompetent racist con man into the White House We cannot understand how we got here how the land of the free became Trump s America without examining the chasm between who we are and who we think we are without fact checking the stories we tell ourselves about ourselves and each other The truth can transform us there is witchcraft in it Lindy West turns on the light

*Mass Murder* Louis Charles Douthwaite,1929      **Town Journal** ,1928      **The Secret History of Domesticity** Michael McKeon,2006-12-06 Taking English culture as its representative sample *The Secret History of Domesticity* asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries Treating that relation as a crucial instance of the modern division of knowledge Michael McKeon narrates its pre history along with that of its essential

component domesticity This narrative draws upon the entire spectrum of English people's experience At the most public extreme are political developments like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual Subject The middle range of experience takes in the influence of Protestant and scientific thought the printed publication of the private the conceptualization of virtual public society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor The most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority Subjectivity and sexuality McKeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with Richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation McKeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse He also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel A capacious and synthetic historical investigation *The Secret History of Domesticity* exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another

*Twenty Thousand Mornings* John Joseph Mathews, 2012-08-31 When John Joseph Mathews 1894-1979 began his career as a writer in the 1930s he was one of only a small number of Native American authors writing for a national audience Today he is widely recognized as a founder and shaper of twentieth century Native American literature *Twenty Thousand Mornings* is Mathews's intimate chronicle of his formative years Written in 1965-67 but only recently discovered this work captures Osage life in pre statehood Oklahoma and recounts many remarkable events in early twentieth century history Born in Pawhuska Osage Nation Mathews was the only surviving son of a mixed blood Osage father and a French American mother Within these pages he lovingly depicts his close relationships with family members and friends Yet always drawn to solitude and the natural world he wanders the Osage Hills in search of tranquil swimming holes and new adventures Overturning misguided critical attempts to confine Mathews to either Indian or white identity *Twenty Thousand Mornings* shows him as a young man of his time He goes to dances and movies attends the brand new University of Oklahoma and joins the Air Service as a flight instructor during World War I spawning a lifelong fascination with aviation His accounts of wartime experiences include unforgettable descriptions of his first solo flight and growing skill in night flying Eventually Mathews gives up piloting to become a student again this time at Oxford University where he begins to mature as an intellectual In her insightful introduction and explanatory notes Susan Kalter places Mathews's work in the context of his life and career as a novelist

historian naturalist and scholar Kalter draws on his unpublished diaries revealing aspects of his personal life that have previously been misunderstood In addressing the significance of this posthumous work she posits that *Twenty Thousand Mornings* will challenge defy and perhaps redefine studies of American Indian autobiography *The New Author* R.A.
