Experience through Rock and Pop Music Lyrics David C. Wright Jr., 2024-08-19 Conveying Lived Experience through Rock and Pop Music Lyrics explores seven decades of lyrics to elucidate themes about the human experience The opening chapters discuss romantic relationships and break ups Subsequent chapters consider lyrics describing nostalgia as well as those about leaving home going on the road and returning home Then successive chapters examine the outsider in society those experiencing mental illness and alcohol and drug use Next songs of social and political critique are surveyed followed by an examination of utopian and dystopian lyrics The final chapters analyze songs using prophetic voices and those about the afterlife This survey shows how lyrics convey the lived experience of people in contemporary society *Song*

Interpretation in 21st-Century Pop Music Ralf von Appen, André Doebring, Allan F. Moore, 2016-03-03 Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position In this book the obverse is true songs take centre stage and are given priority The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs All songs analysed are from the new millennium most of them not older than three years Because the most widely popular styles are too often ignored by academics this book aims to shed light on how million sellers work musically Therefore it encompasses a broad palette highlighting mainstream pop Lady Gaga Ke\$ha Lucenzo Amy McDonald but also accounting for critically acclaimed indie styles Fleet Foxes Death Cab for Cutie PJ Harvey R. B. J. Destiny's Child Janelle Monáe popular hard rock Kings of Leon Rammstein and current electronic music André's Björk By concentrating on 13 well known songs this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels *Pop Music and Easy Listening* Stan Hawkins, 2017-07-05 What defines pop music Why do we consider some styles as easier listening than others Arranged in three parts Aesthetics and Authenticity Groove

Sampling and Industry Subjectivity Ethnicity and Politics this collection of essays by a group of international scholars deals with these questions in diverse ways This volume prepares the reader for the debates around pop s intricate historical aesthetic and cultural roots The intellectual perspectives on offer present the interdisciplinary aspects of studying music and spanning more than twenty five years these essays form a snapshot of some of the authorial voices that have shaped the specific subject matter of pop criticism within the broader field of popular music studies A common thread running through these essays is the topic of interpretation and its relation to conceptions of musicality subjectivity and aesthetics The principle aim of this collection is to demonstrate that pop music needs to be evaluated on its own terms within the cultural contexts that make it meaningful
