## **Love Affair With The Law A Legal Sampler:**

**A Love Affair with the Law** Morris Leopold Ernst, 1968      The Legal Exhibitionist Joel Silverman, 2022-04-27 Born to a Jewish immigrant shopkeeper in a small Alabama town Morris Ernst used aggressive self promotion and exaggeration what he called exhibitionism to transcend his insecurities and his part time legal training to become one of America s most famous lawyers During the first half of the twentieth century Ernst championed free speech sexual education birth control and reproductive health and his landmark defense of James Joyce s *Ulysses* in 1933 cemented Ernst s reputation as the top progressive attorney of the era To promote himself Ernst befriended newspaper writers authors actors politicians and practically anyone whose work carried some weight in popular culture But his hunger for respect and recognition together with his need for excitement led Ernst to lavish praise on J Edgar Hoover and to publicly defend and profit from a Dominican dictator In the process Ernst undermined his own credibility and largely fell out of favor with the public By examining key moments of his life and career *The Legal Exhibitionist* Morris Ernst Jewish Identity and the Modern Celebrity Lawyer describes how Ernst s exhibitionism led to his rise and fall and suggests how his strategy of exaggeration anticipated the emergence of today s celebrity lawyers      *(Free Sample) Legal Aptitude & Reasoning for CLAT & AILET Exams* Disha Experts, 2021-03-07      *How Sex Became a Civil Liberty* Leigh Ann Wheeler, 2013 *How Sex Became a Civil Liberty* shows how we came to see sexual expression sexual practice and sexual privacy as fundamental rights enshrined in the Constitution thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution      *Equity, Equality, and Empathy* Richard D. Sorenson, 2022-09-14 *Equity Equality and Empathy What Principals Can Do for the Well Being of the Learning Community* presents seven principal actions detailing how to develop a successful well being program Moreover leadership processes are advanced to aid principals in embracing encouraging and amplifying equity equality and empathy as well as social and emotional learning This book is written to guide principals in understanding that far too many social injustices plague not only the nation but school systems as well Revealed are TOP 10 Steps to Quality Leadership effective in guiding campus leaders when working with others in overcoming biases prejudices and discriminatory actions and practices Additionally fourteen school oriented processes to eradicating racism in schools are identified and addressed *Equity Equality and Empathy* promotes seven elements of empathy and how they are critical tools for effective school leadership Seven habits of highly empathetic principals are explored along with five steps to a principal establishing and maintaining a learning community culture of empathy Finally this book provides school leaders with a critical skills inventory which investigates how principals personally react to social and emotional learning organizational well being and empathy equity and equality leadership      The Rise and Fall of Morris Ernst, Free Speech Renegade Samantha Barbas, 2021-06-10 A long overdue biography of the legendary civil liberties lawyer a vital and contrary figure who both defended *Ulysses* and fawned over J Edgar Hoover In the 1930s and 40s Morris Ernst was one of America s best known liberal lawyers The ACLU s

general counsel for decades Ernst was renowned for his audacious fights against artistic censorship He successfully defended Ulysses against obscenity charges litigated groundbreaking reproductive rights cases and supported the widespread expansion of protections for sexual expression union organizing and public speech Yet Ernst was also a man of stark contradictions waging a personal battle against Communism defending an autocrat and aligning himself with J Edgar Hoover s inflammatory crusades Arriving at a moment when issues of privacy artistic freedom and personal expression are freshly relevant The Rise and Fall of Morris Ernst Free Speech Renegade brings this singularly complex figure into a timely new light As Samantha Barbas s eloquent and compelling biography makes ironically clear Ernst both transformed free speech in America and inflicted damage to the cause of civil liberties Drawing on Ernst s voluminous cache of publications and papers Barbas follows the life of this singular idealist from his pugnacious early career to his legal triumphs of the 1930s and 40s and his later idiosyncratic zealotry As she shows today s challenges to free speech and the exercise of political power make Morris Ernst s battles as pertinent as ever
