M. Rachia,1999 This bibliography comprises a selection of Library of Congress catalog records for some 1 500 books periodicals and websites related to youth violence Anyone wanting such a bibliography could probably compile it from the Library of Congress web site and the deficiencies in conception and design of this product defy understanding A brief preface sounds an alarm no one should be surprised that youth violence lurks behind every school house door but sets forth no criteria for selection of citations no indication of time frame purpose or audience Entries are arranged alphabetically by title within chapters on

school violence guns and youth gangs campus violence dating and violence and periodicals and Web sites Unforgivably primitive alphabetic sorting puts all titles beginning with The together the same with other articles and in addition those titles are indexed together Though the title indicates the presence of abstracts there are none except the summaries supplied by Library of Congress for juvenile titles of which there are many Cross referencing and indexing except by title are absent The compiler s credentials motivation and orientation are not cited Furthermore with better design the contents would have consumed half the number of pages and a few typeface variations would have eased scanning Annotation copyrighted by Book News Inc Portland OR *200 Plays for GCSE and A-Level Performance* Jason Hanlan,2021-05-20 How do I choose a play to perform with my students that meets the curriculum requirements and also interests my class What can I introduce my students to that they might not already know If you re asking these questions this is the book for you Written specifically for drama teachers this is a quick easy to use guide to finding and staging the best performance material for the whole range of student abilities and requirements for 15 18 year olds It suggests 200 plays suitable for students of all abilities and requirements providing sound advice on selection and realisation and opening up plays and playwrights you may have never known existed Structured in 2 parts Part 1 consists of 8 easy to read chapters explaining how to get the most out of the resource Part 2 is a vast resource listing 200 plays suitable for study performance at GCSE and A Level The details of each play are set out in an easy to navigate chart that offers introductory information on Play Playwright Casting numbers Gender splits Ability Genre description Brief Summary Exam level Workshop ideas Warnings advice where necessary Suggested scenes for study Performance notes including lighting sound costume and space **The Protection Specialist's Guide to Stalking & Harassment Threat Management** Miguel A. Strange Gods Timothy L. Carens, 2021-11-28 Despite frequent declarations of the sanctity of love and marriage British Protestant culture nurtured the fear that human affection might easily slip into idolatry Throughout the nineteenth century theological essays sermons hymns and didactic fiction and poetry urged the faithful to maintain a constant watch over their hearts lest they become engrossed by human love guilty of worshipping the creature rather than the Creator *Strange Gods Love and Idolatry in the Victorian Novel* traces the concerns produced in Protestant culture by this broad interpretation of idolatry In chapters focusing on Charles Kingsley and Charlotte Brontë Mary Elizabeth Braddon George Eliot Oscar Wilde and Thomas Hardy this volume shows that even supposedly secular novels obsessively reenact an ideological clash between Protestant faith and human love Anxiety about adoring humans more than God frequently overshadows and sometimes derails the progress of romance in Victorian novels By probing this anxiety and its narrative effects *Strange Gods* uncovers how a central Protestant belief exerts its influence over stories about love and marriage
