given me everything I'd fucking dreamed of since I was a kid He gave me the chance of a lifetime despite his known reputation of sitting alone on his throne There's something about him that I've wanted since the moment I discovered him but I vowed to push it aside I knew from the first day that he'd never see me as more than a wannabe an amateur But I was determined to prove him wrong even if that meant revisiting a past I'd long left behind Then he touched me and since nothing has been the same My entire life I've been cold but that night a spark ignited between us and I'm starting to warm He knows my deepest secrets With every part of him I discover the further I fall It could ruin everything I've been working for I want him the broken and the battered The tug of war inside of me is strong One mistake could cost me everything including the beautifully wicked man I've fallen in love with Still I'm willing to walk away in order to right my wrongs But the part that scares me the most it's only the beginning of the spiral downward Most like to think that love and war will never entwine leaving the two separate but sometimes to keep the one worth fighting for you must enter into warfare consequences be damned The infamous question will always remain all's fair in love and war In Love and War Charles Gibbon,1877
