Eros Ascending John Maxwell Taylor, 2011-07-05 FINALIST USA Best Books 2010 Awards Spirituality Self Help Relationships The quest for lasting love is one of life's essential pursuits in some ways the most essential But it's also a quest that's impossible to separate from spiritual and sexual needs In *Eros Ascending* author John Maxwell Taylor offers a wide ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness Based on Taylor's twenty three year experience with Taoist practices the book presents an engaging analysis of love relationships and sexuality from spiritual romantic and sexual perspectives Taylor melds essential ideas by Jung Gurdjieff and Taoist Master Mantak Chia with science biology spiritual tradition and current popular culture to shed new light on this eternal yet misunderstood subject Not just for couples the book is equally useful for single people who want to understand the methods for learning to love yourself in preparation for a fulfilling long term relationship Taylor draws on his eclectic background as a successful playwright composer actor and musician in this persuasive plan for converting ordinary sexual energy into food for the soul

Love That Works Bruce Brander, 2004-09 *Love That Works* draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance

Mainlining Christianity Reverend Thomas F O'Donnell, 2006-02-23 Moderate and liberal Christians Unite Reclaim Jesus from the evangelical Christian right Imagine a faith tradition divided up into literally thousands of denominations based on such silly things as organizational structure how many bishops can you fit on the head of a needle or theological differences such as whether baptism is to be done by dunking or by sprinkling or whether or not the bread and the cup are actually transformed into the body and blood of Christ during the Lords Supper the doctrine of transubstantiation Imagine that even within a single denomination of this faith tradition those who profess to share the same faith have diametrically opposed views on the nature of God the source of salvation the nature of sin the meaning of scripture the relationship of Science and Religion of Reason and Faith of Truth Certainty and Doubt Imagine further that they cannot even agree on the nature and or message of the man upon whom their religion is founded Finally imagine that a vocal minority of these diametrically opposed views is dominating the public airwaves while the silent majority remains hunkered down in the hallowed halls of their sanctuaries While the message of this vocal minority is embraced by a few in search of simple answers imagine that the masses of un churchd de churchd under churchd never been churchd fed up with church are turned off and are walking away in droves Unfortunately there is no need to imagine any of this It is happening right here right now in the United States of America The faith tradition is called Christianity The vocal minority that is dominating the bully pulpit of public opinion is the evangelical Christian right and the silent majority are moderate and liberal Christians everywhere Mainlining Christianity is a call to Christianity's silent majority to stand up and speak out and to join in a New Reformation Through the vehicle of 95 Theses for the 21st Century the book is divided into eight separate sections Religion Christianity and Worldviews Truth
